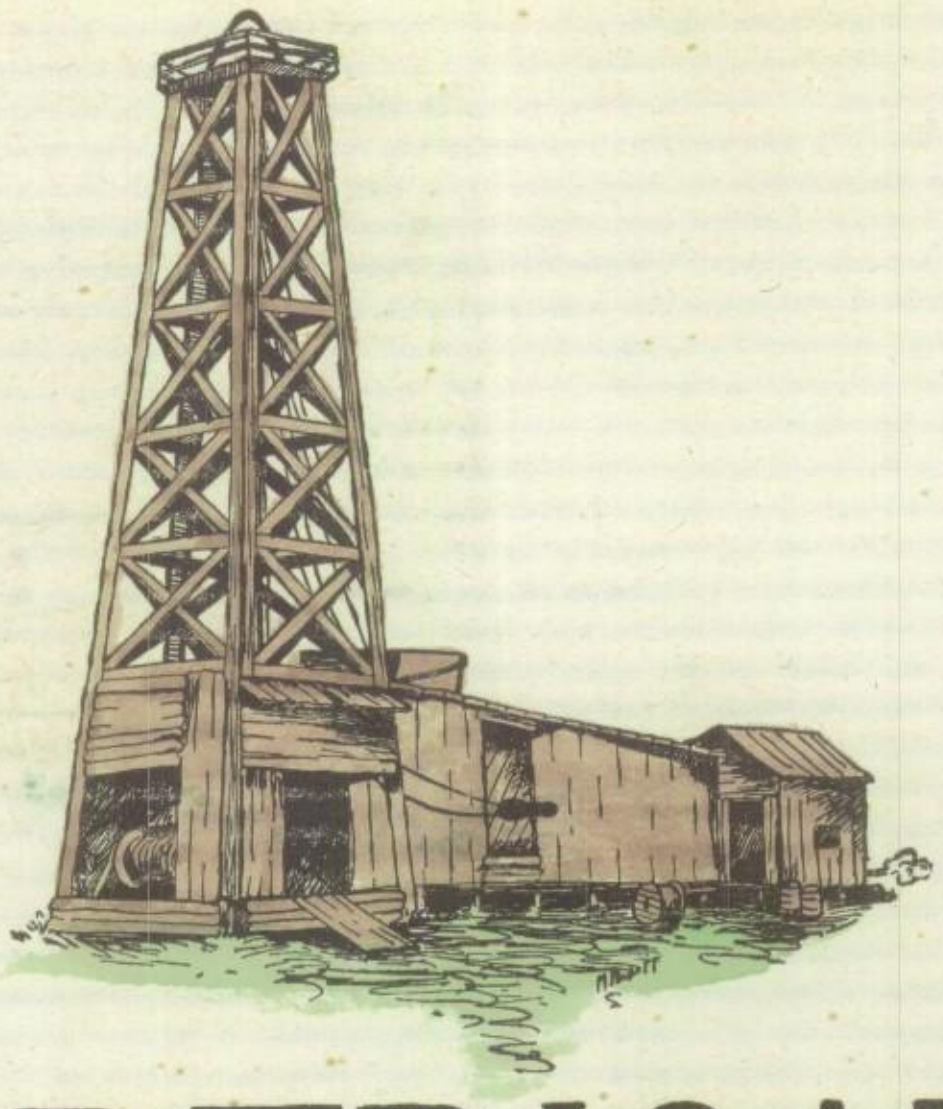
FOREWORD

To the eyes of Youth the Future is a fabric woven of the rose-colored threads of happiness. It is the wish of the staff of the 1927 La Airosa that in the Afterwhile these pages may bring you a memory of the Past that will likewise be rose-tinted, and gleaming with golden rifts of gladness.



DEDICATION

In the weaving of character he has employed the golden threads of integrity and purity, measured by the silver yard-stick of Christian manhood; in loyal devotion he has taught others the patient art of weaving. We, the Senior Class dedicate the

THE SCHOOL

The New Unit

The work on the new unit to the high school has been started by the Windsor Construction Company of Amarillo, who have contracted to complete it by the time school commences next fall.

On the ground floor there will be added, south of the present building, a cafeteria, 80 by 100 feet, a large kitchen, another domestic science laboratory which will be connected to the present room by a dining room for this department The manual training department will also be on the ground floor, which will include a large workroom, a drafting room, a blue print room, a demonstration room, a finishing room, a print shop, an office and three storerooms. This department will be equipped with the most modern machinery. There will also be three classrooms and two general storage rooms on this floor.

On the second floor will be the Auditorium, eighty-three feet long and eighty feet wide, and a large orchestra pit and the stage, eighty feet long and twenty-six feet wide. Connected with the stage will be a girls' dressing room and a boys' dressing room. Just south of the Auditorium will be the gymnasium, eighty-eight feet long and fifty-eight feet wide, with bleachers on one side and one end. This will be joined by a girls' locker room and a boys' locker room, with an office for the physical training director of boys. The gymnasium will have a maple floor and the dressing rooms, terrazzo floors. On this floor will also be six additional classrooms.

On the third floor will be the balcony of the Auditorium thirty-six feet wide and eighty feet long, and will contain a moving picture booth. The balcony of the gymnasium will also be on the third floor and will surround the gymnasium on three sides. On this floor will be a lady teacher's rest room and also six classrooms.

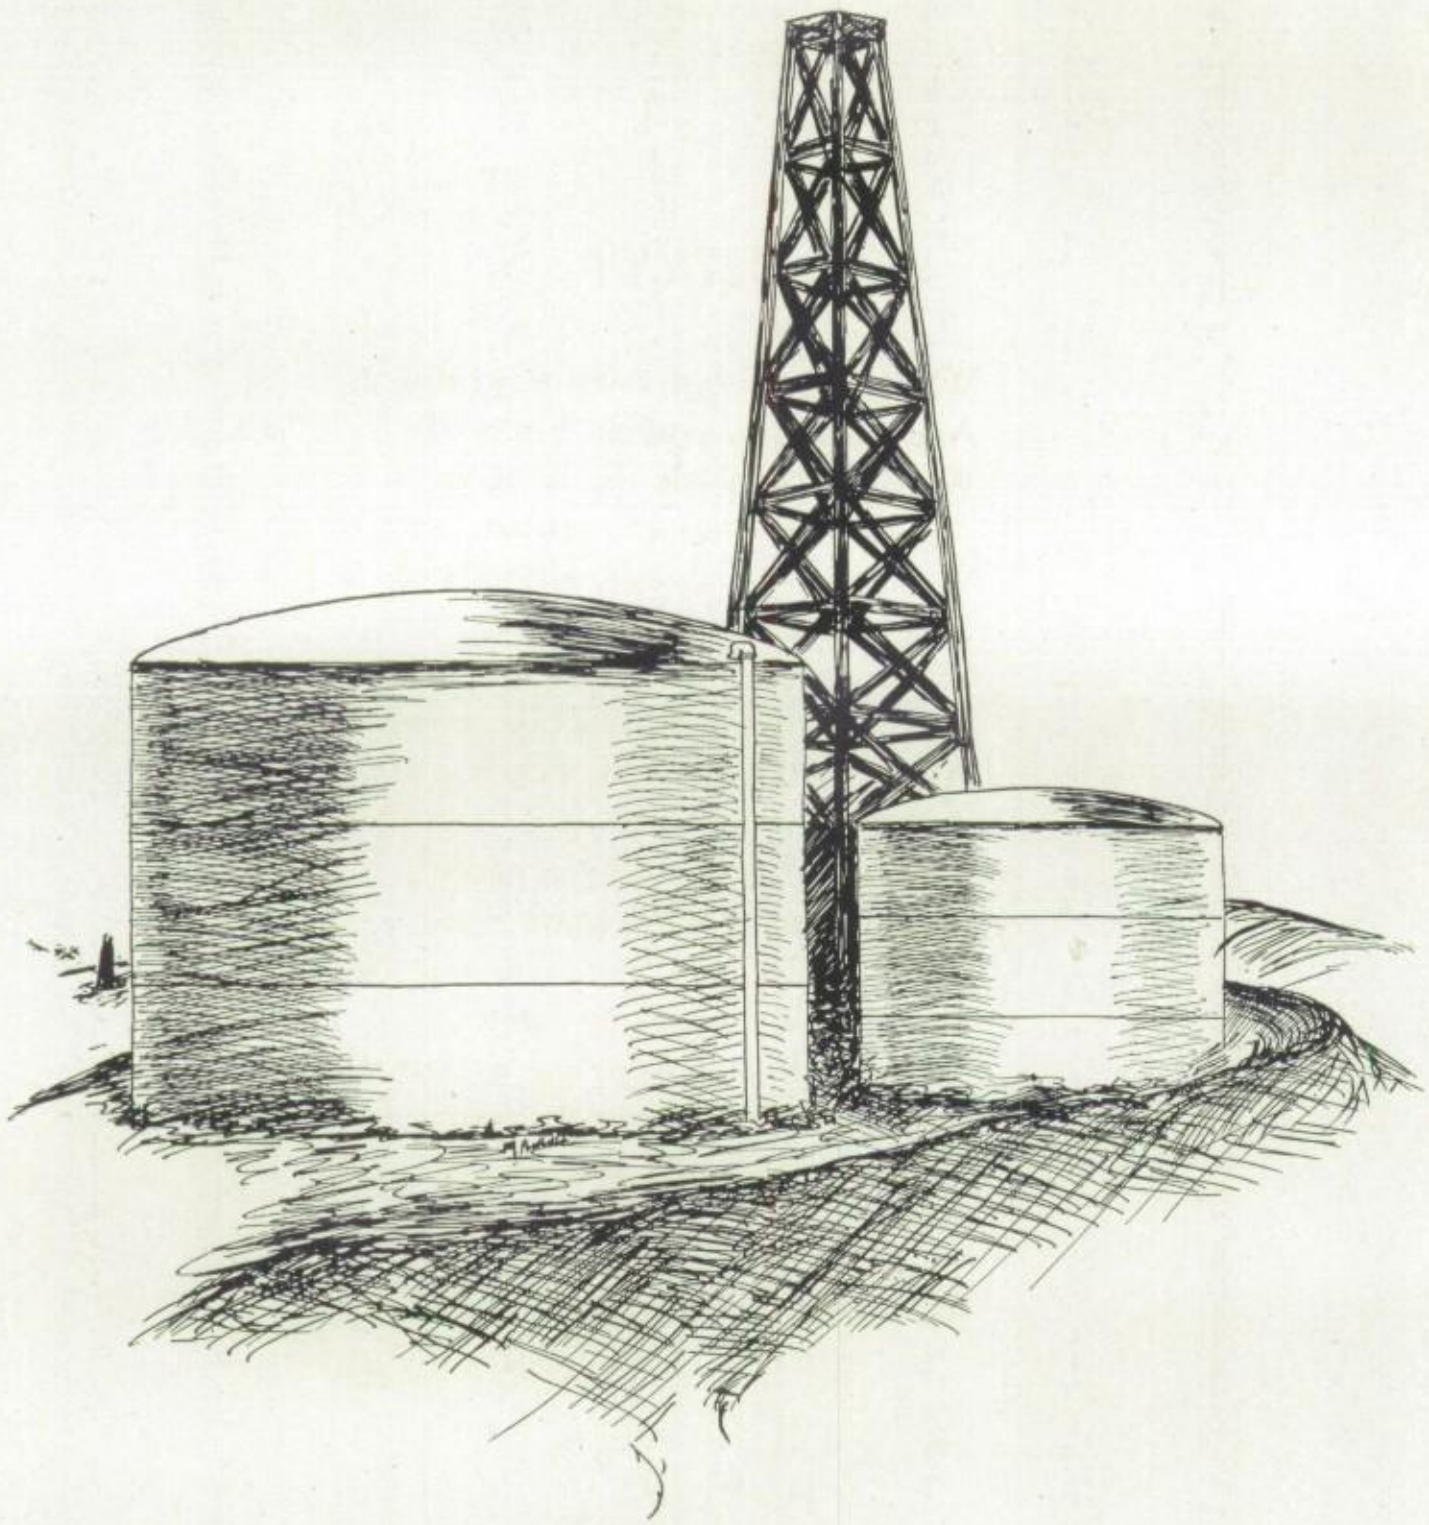
When the new unit is completed Amarillo will have one of the best high schools in this section of the country.

Our High School

School

When school's last essay is written
And the last proposition is proved;
When the last tardy slip is taken
And the last demerits removed;
When the last exercice is translated
And the last book report made;
When the last exam paper is graded
And "D" ceases to be a low grade;
When the last chapel lecture is over
And the last classes begun;
When the last pep rally is ended
And the last football game won;
When the halls no longer are crowded
And pressed by hurrying feet;
When study hall wispering is silenced
And school lovers cease to meet;
When the last track meet is over
And the last race has been run;
Then will our school days be over
For Youth is ended, and Life begun!

—Pearl Duncan



FACULTY

TO

CHARLES M. ROGERS

Principal of the Amarillo High School, we dedicate this page because he never spared himself to help a student; and because he is just and fair in his decisions. He has won a place of high esteem in the hearts of all the student body and faculty. To him we extend our heartiest wishes and congratulations.

AN APPRECIATION

We the annual staff of 1927 wish to extend our most gracious thanks to the faculty of Amarillo High School. They have been most considerate and willing to cooperate with us. They have shown the greatest patience and leniency towards us. It is our hope that the future staffs may have the pleasure of as much consideration and needed help from the faculty as the La Airosa staff of twenty seven has had.

"Ask Me Another"

(Questions submitted by faculty of A. H. S.)

Supt. McIntosh: Who is superintendent of the Amarillo schools?

Mr Rogers: What does A. H. S. stand for in Amarillo High School?

Miss Avent: If 2 and 2 when added make 4, what is the sum of 2 and 2?

Mr. Jensen: What shape is a square?

Miss Bradley: Is a flat felled seam flat?

Mr. Dutton: Do chemistry teachers ever teach chemistry?

Mr. Hays: On what date did the war of 1812 take place?

Mr. Hull: How many yards are run in the 220 yard dash?

Miss Headrick: Was the leading character in Scott's "Lady of the Lake" a man or woman?

Miss Klapproth: Who wrote Homer's "Odyssey"?

Mrs. Quicksall: What was Edgar Allan Poe's middle name?

Miss Welch: What's the number of the first song in the book?

Mrs. Taylor: What sex is the feminine sex?

Miss Walker: When delivering an address should you talk out loud or whisper?

Miss Cora Russell: In what country did Spanih originate?

Miss Loetscher: What color are green leaves?

Miss Smith: Who went on Gulliver's Travels?

Miss Watson: How much time was given to that 15 minute speed test today?

Miss Louise Russell: Who wrote Milton's "Paradise Lost"?

Mr. Truitt: What Presidential Campaign had the slogan; "Keep Kool with Coolidge"?

THE SENIOR'S FAREWELL

Amarillo High School—good bye.
We leave you with a smile and with a sigh;
A smile for the thought of something new,
A sigh for the thought that we're thru with you,
Amarillo High—good bye.

Goodbye Miss Cora and Charlie and Mac.
We hope that you'll often wish us back
When your days are long and dull and dreary,
And from lack of excitement you grow more weary.
Goodbye Miss Cora and Charlie and Mac—.

Goodbye teachers, friends and janitors, too.
It's not without regrets that we leave you;
For you were all that kept us here,
And made school life to us a dear.
Goodbye teachers, friends and janitors, too.

—Ruth Lefforge.

ONE MORE YEAR

We have one more year to run in the race,
To add our points to the score
Of the dear old school that has sponsored us all
For the last three years or more.

There is one more year of running straight
With head and shoulders high,
And feet pounding steadily on the turf
As we pass the mileposts by.

In the race we have run in years gone by
Some few have fallen away
And some have stumbled and staggered on
Growing stronger day by day.

And now with the finish line looming faint
In the gloom of the unknown year
There's a heartening in the running ranks,
An exultant, murmured cheer.

Oh we'll run straight on in the year to come
We'll run straight on to the end
And when we are gone, the dear old school
Will count each one as a friend.

THE SOPHS OF '27

I'll place in my treasure chest,
The memory of school days blest,
And lock with a golden key
Where none but myself may see.

When I am lonesome and sad and blue,
I'll unlock my chest and live anew
The happy times of school days past,
Without a shadow upon them cast.

The memory I'll always keep
As life's products I may reap,
The glorious Sophs of A. H. S.
Twenty seven's a sure test.

—Edith Day.

OUR CLASS

Sophomores! Four-hundred Sophomores! And Sophomores we're proud to be! The Seniors have the worries of the annual. The Juniors have the trouble of the Sandstorm, while the Sophomores have their good times.

The Sophomore class of '27 is well organized. Our motto, "Not there, but climbing" is one of the best 'cause that's the one we chose. Our flower is the beautiful lilac and our colors are purple and white.

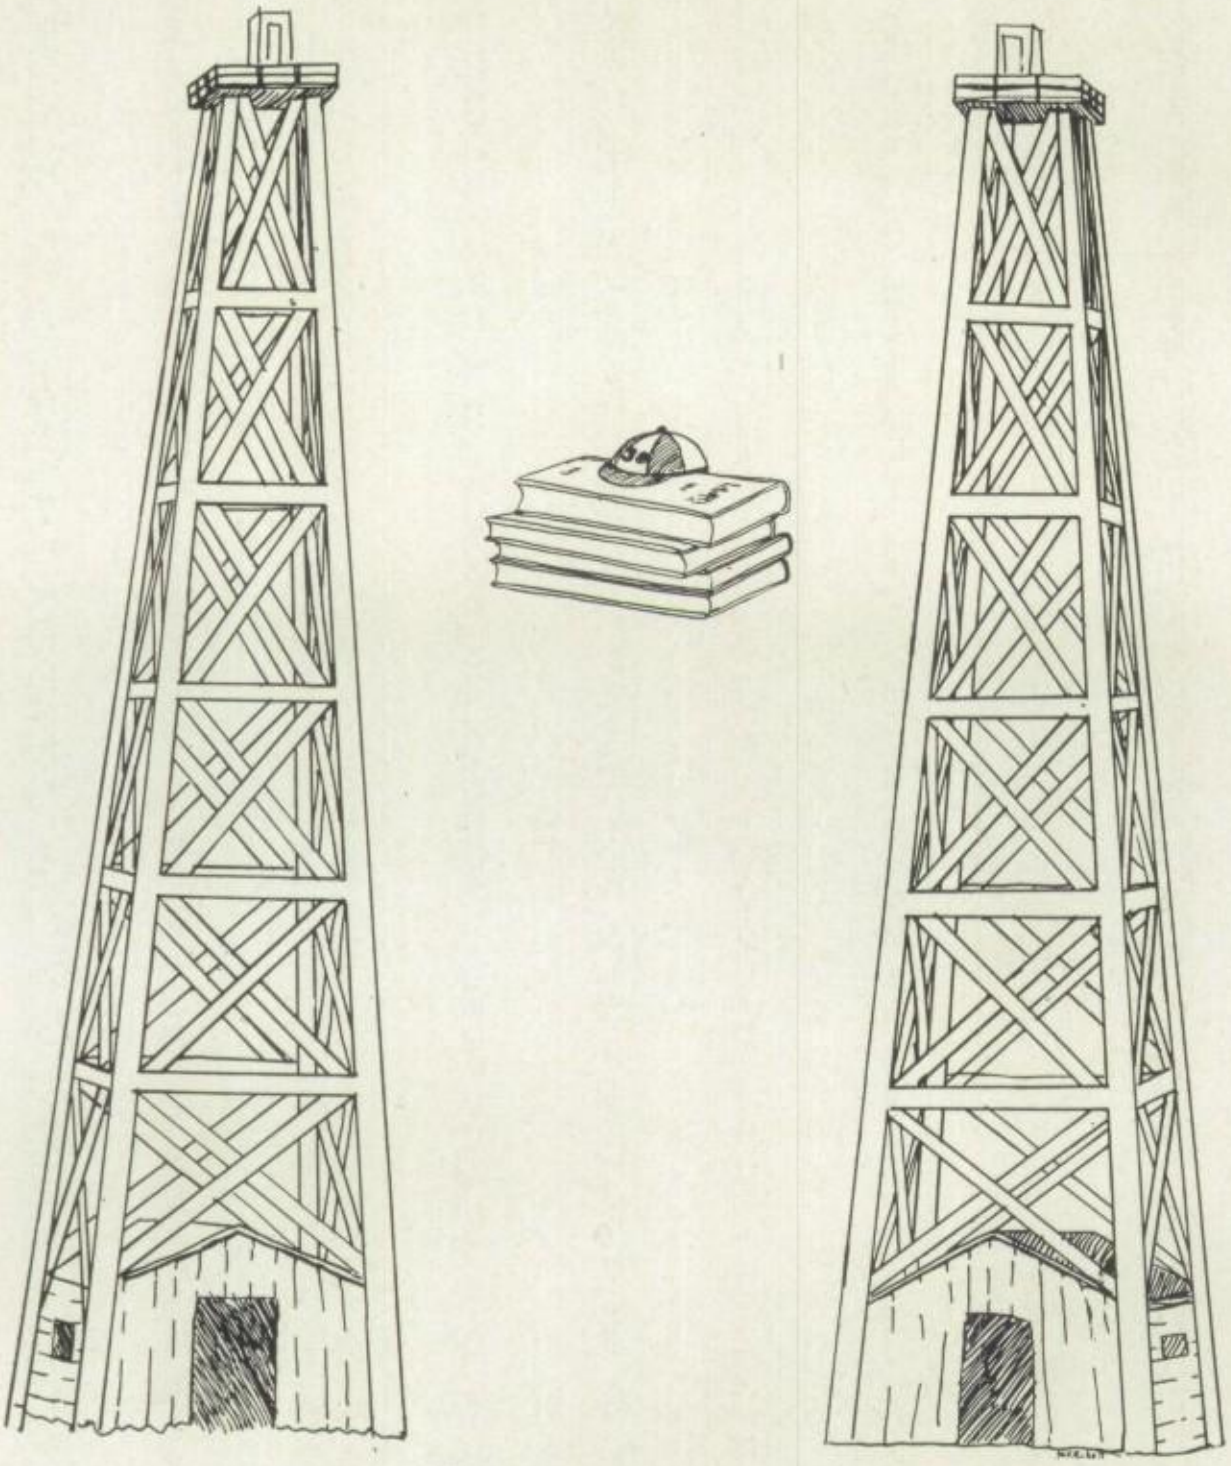
The greatest event during the year was perhaps our sponsor, Miss Avent. Our Avent and our mothers gave us a picnic which took place under the trees of beautiful Box Canyon. Everything was ideal and every one had a wonderful time.

As a whole, our year has been very pleasant and we have all enjoyed being Sophomores.

—Betty Gist.

SCHOOL PEP!

AND IT'S THE LAST TIME I'LL EVER WORK HIS MATH FOR HIM
YEH. Y'SEE THE COACH NEEDED A WATER BOY — SO I GOT THE JOB
SO YOU ARE ON THE FOOTBALL SQUAD — HUH?
OUCH! GO EASY THERE!
AH! PROF! WHAM!
WHIFF! WHAM!
OUCH!!
S-SSH, HERE HE COMES. GET THE CLUBS READY



FRESHMAN

Freshman Class 1927

OFFICERS

Ben Ansley	*President*
Christine Lane	*Vice-President*
Bessie Birdwell	*Secretary*
Rachel Loving	*Treasurer*

THE FRESHMAN

To live for the joy of living,
To wonder at all that's new,
Respecting not God and respecting not man,
Confusing the false and the true.
To bridle and balk at labor;
To enter, whole-souled, into play;
To gradually open dazzled eyes
On the light of a broader day—
'Tis only a stage in the making of man;
'Tis a step along the way.

106—102

205—108—307—213—308—210

The Freshmen of '27

In order to become good Sophomores we must be good Freshmen; and in order to become good Juniors we must be good Sophomores; and in order to attain the dignity of Seniors we must be good Juniors. The Freshmen have certain goals they must attain before they can be Seniors and enjoy the privileges of Seniors. Not only have we set our goals for our high school life but for our life beyond.

We have tried to establish the right sort of habits, to keep before us high ideals and to win the respect and friendship of our teacers and classmates. We have given our support to the school papers, athletics, etc. We have accepted our part gladly in making our high school one worthy of our loyalty and pride.

—Bessie Birdwell.

Hi-Y Activities

The Hi-Y Club of this year is not only the largest in its history, but it still is, by far, the largest club in Texas. Mr. G. C. Good, the State Boy's Work Secretary of the Y. M. C. A. says, "Amarillo has the Best club in the State."

The club started work this school year with forty-eight old members actively engaged in the work. At the present writing, we have one hundred eleven regular members with an Employed Boy's Unit of eleven members. The club has a waiting list of Sophomores from which choice prospects will be taken to form a nucleus for next year's work.

This year, a very active fourteen piece band was organized with Marion McClure as director. This band has played for all the Civic Clubs here and has been on the air a number of times.

The club has sponsored a store in connection with the Lost and Found Room this year. In addition to supplying boys for the store and Lost and Found Room, the club has supplied boys for bell, office, police and lockerroom duty.. The membership stands ready at any and all times to render service.

Fifty-two delegates, including our Band, made the trip to Ft. Worth to the Older Boy's Conference this year.

The Hi-Y Club has furnished leaders in all the school activities. One business man said, "The Hi-Y Club is the biggest and best club in our high school."

The Inter-Nos Club

MISS KLAPPROTH - - - - *Sponsor*

"Labor omnia vincit"

The Inter Nos Club was organized for the second time at the beginning of the school year 1926-1927. Under the able sponsorship of Miss Klapproth much has been accomplished by the twenty-five members.

The club was instrumental in securing the moving picture "The Last Days of Pompeii". The proceeds of the picture were used for the Latin Tournament which was held April 1. Part of the Club members made their public appearance in a playlet "In Gallia" presented before the Parent Teachers Association and part in the "Vestal Virgin" taper drill.

Pi Delta Dramatic Club

MISS HEADRICK - - - - - *Sponsor*

The Pi Delta Dramatic Club, organized in 1925, has had an unusually successful year during 1926-1927. Miss Orville Headrick, the sponsor of the club, has given excellent advice on all subjects brought before the cub and has been a large factor in making the organization a success. The officers of both semesters have been unusually capable and the club members have been able to do satisfactory work.

A new plan of dividing the club into groups, each group being responsible for several programs during the year, has been carried out advantageously. Several of the groups have given one-act plays which have been in demand for programs outside the club. Some of the plays are "Entertaining Aunt Tilly", "The Merediths Entertain," "Suppressed Desires," and "Love's Dream."

Eulalians

MISS RUSSELL - - - - - *Sponsor*

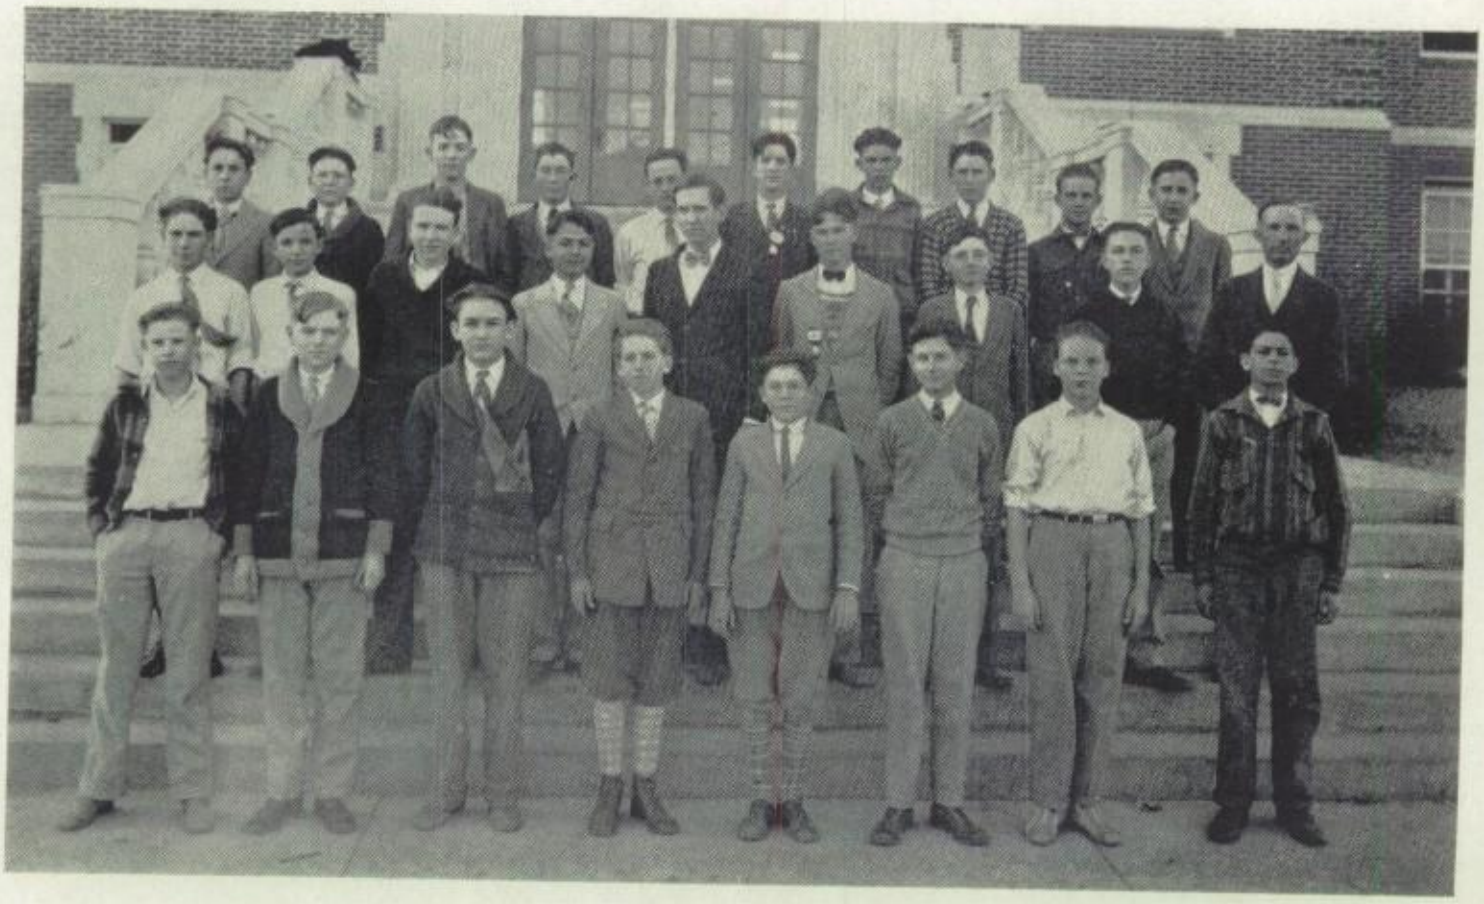
The Eulalian Club is one of the oldest clubs in the Amarillo High School.

The purpose of the Club is to teach girls poise and a certain amount of fluency, when speaking before the public.

Programs have been given, to follow the idea, some member of the club sponsoring each one and finding the material for it.

Current topics, one act plays, book reviews, Art and Literature lectures, and glimpses of history, are given each time by the members.

Through Miss Russell's efforts the club has been interesting besides being of the greatet benefit.



Philomathians

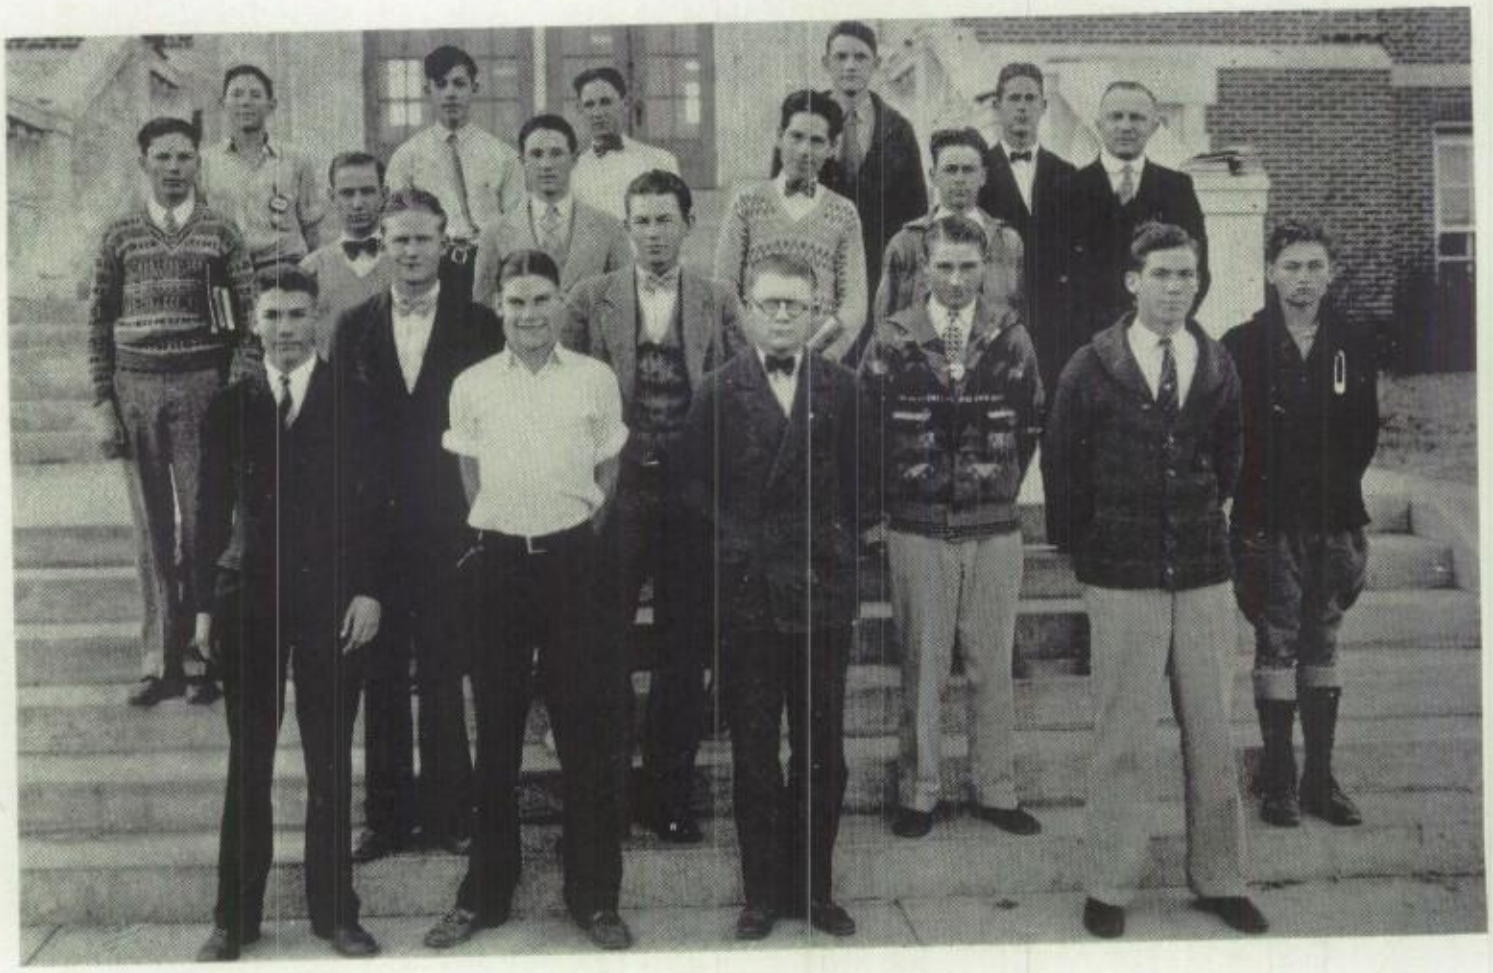
MR. TRUITT - - - - - *Sponsor*

The Philomathian Debating Club of 1927 was organized Sept. 16, 1926, with the purpose of promoting all branches of public speaking. W. A. Criswell and Thomas Metz served as presidents. The sponsor was Mr. Truitt.

In the Philo-Forum annual debate, held on February 24, the Philomathians won the silver loving cup offered by the Lions Club. Later, on March 18, Robert McKinney won first place in Ex Tempore Speaking.

A Forum-Philomathian banquet was held March 4, at Hotel Herring.

The Philos have a large increase in membership over last year. They are sponsored by the Kiwanis Club.



Forum

MR. JENSEN - - - - - - *Sponsor*

The Forum was organized on Sept. 16, 1926. The purpose of the club is to instruct the members in debating. Mr. Harms filled the position as sponsor until he left us, then Mr. Jensen was appointed to take his place.

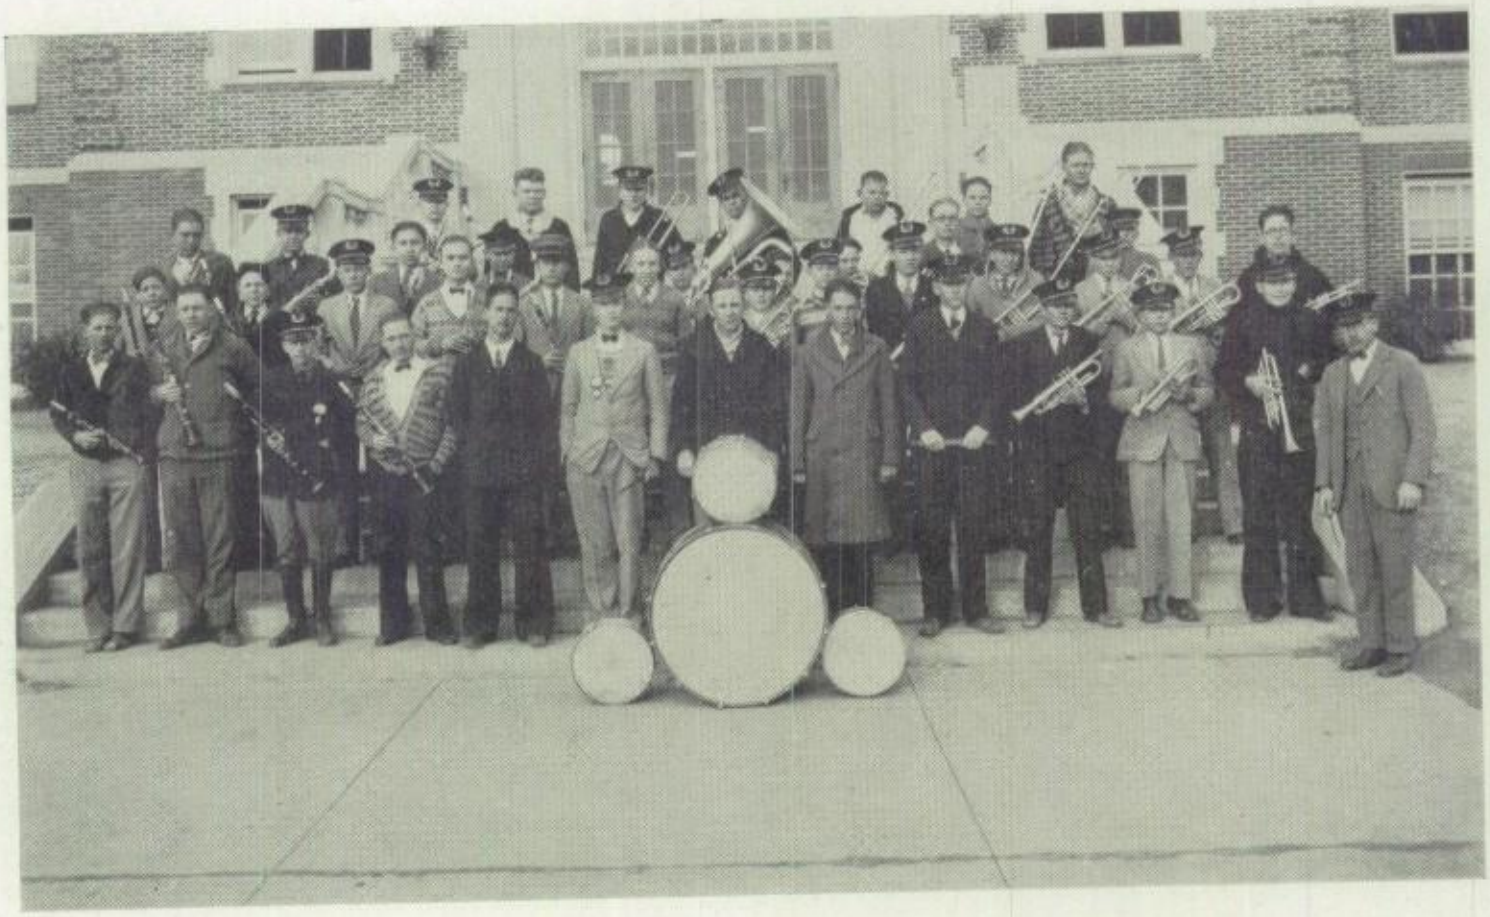
The boys have shown much interest in work this year. On Hallowe'en the Forum held a joint party with the Philomatheans. The girls attended. The Forum-Philo banquet was held March 4, at the Herring Hotel.

The boys chosen to represent the Forum in the Inter-Club debate were Earl Bishop and Frank Barton.

String Ensemble

LORRAINE WELCH - - - - *Sponsor*

A String Ensemble was organized this year to take the place of the orchestra. It has played on several occasions and has been very favorably received.



Band

OSCAR WISE - - - - - - - *Director*

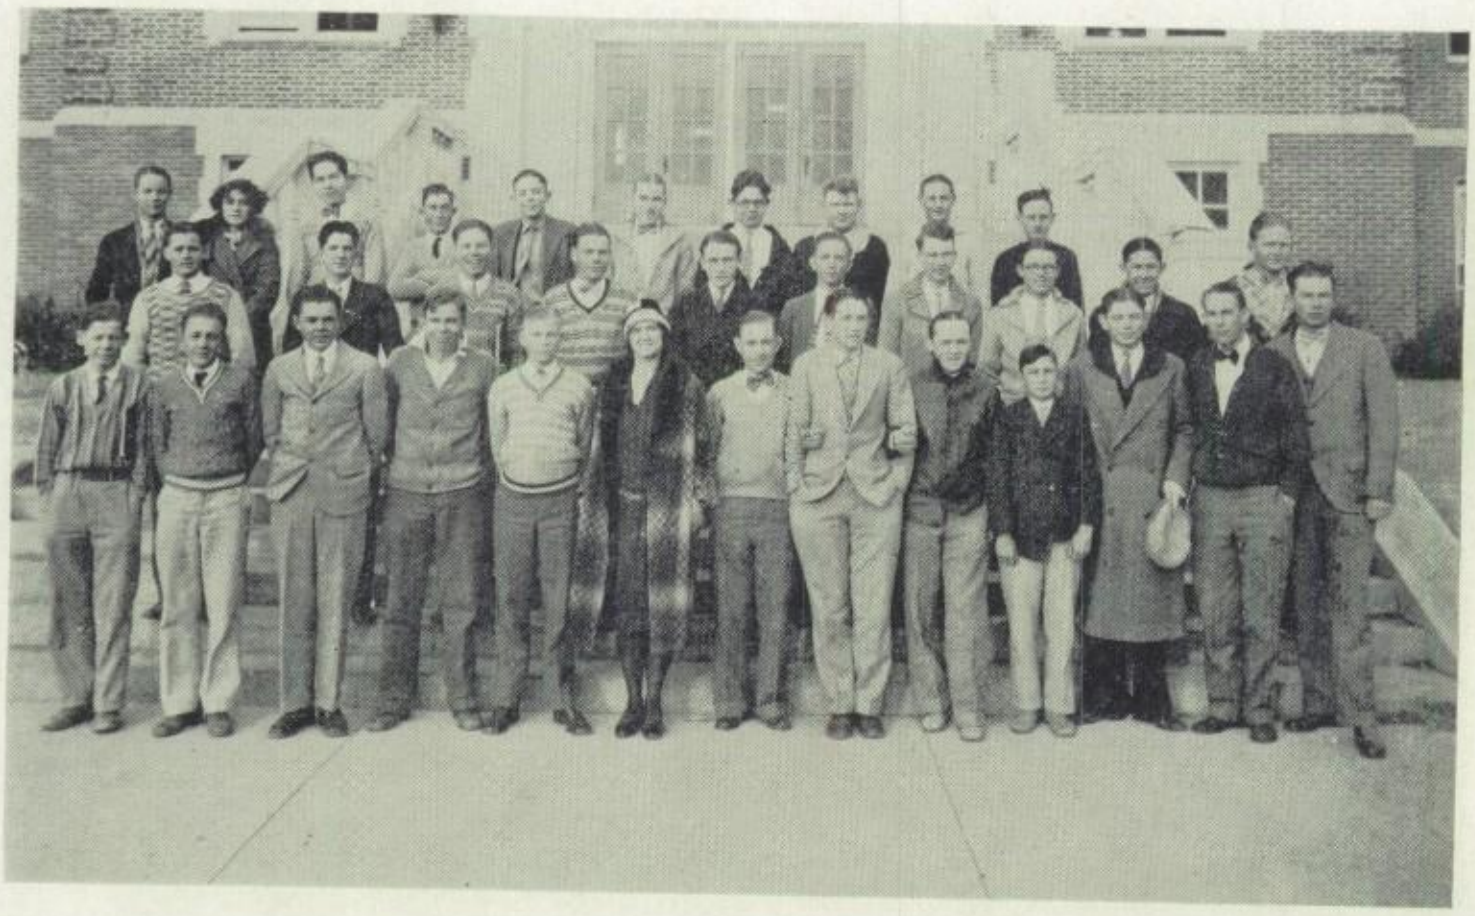
"Music begins where a spoken word ends"

The Band has done a great deal for the school this year in creating school spirit. It has taken part in every ball game, rally, and school parade.

The band not only took part at these games and ralleys but gave a number of concerts at the Municipal Auditorium, took an important part in the Panhandle Music Festival, and furnished music for the Tri-State Track and Field Meet, and the May Festival.

OFFICERS FOR THE YEAR:

W. A. CRISWELL - - - - - *President*
PAUL SMITH - - - - - *Secretary*



Glee Club

LORRAINE WELCH - - - - *Director*

The Boys' Glee Club, under MissWelch has shown great progress in the past year. There were fifty Juniors and Seniors enrolled during the last semester. The Boys' Quartet was composed of Gilmore Nunn, first tenor, Garland Collins, alternate first tenor, Dick Green, baritone, Earl Bishop, first bass, Noble Fowlkes second bass.

The Boys' Glee Club furnished most of the boys for the cast of "The Gypsy Rover," and all of the male chorus was composed of boys from the Glee Club.

Senior Choral Club

LORRAINE WELCH - - - - *Director*

The 1926-1927 Senior Choral Club of the Amarillo High School was very successful, due to the strenuous efforts put forth by its supervisor, Miss Lorraine Welch, who came to Amarillo during the first semester from Lawton, Oklahoma.

The Club participated in many social activities and has broadcasted several difficult and varied programs.

Junior Choral Club

Monday—Wednesday

LORRAINE WELCH - - - - *Director*

The Girls Choral Club consists of one hundred and six, Sophomores, Juniors, and Seniors. Their activities for the year have been great and beneficial. The Club has given radio programs and the Seniors, with the aid of the Glee Club, Orchestra, and Choral Club, presented the operetta, "The Gypsy Rover", March 11.

Junior Choral Club

Tuesday—Thursday

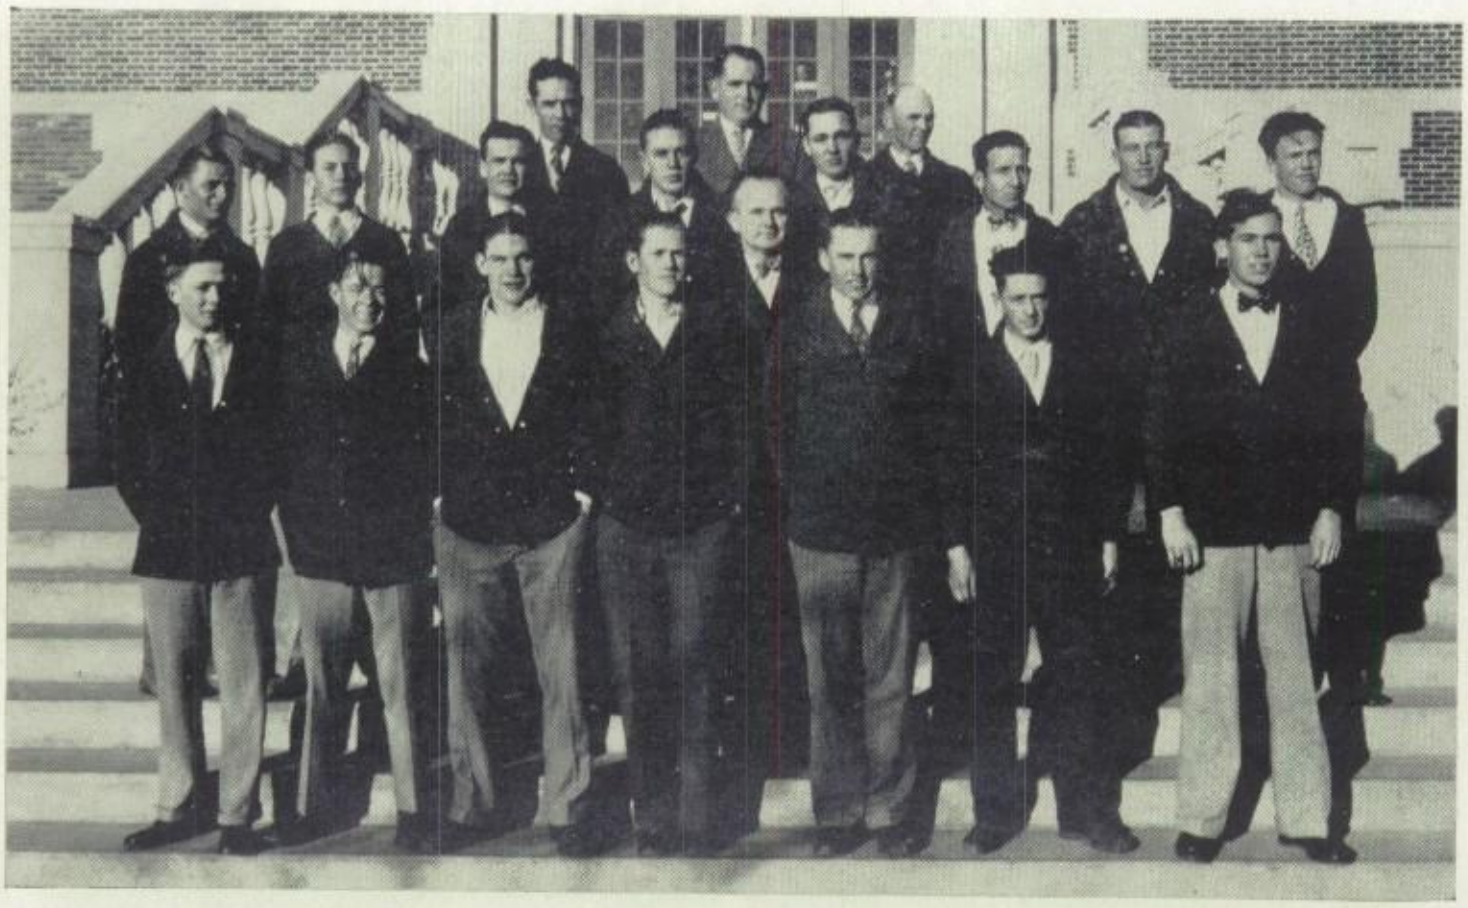
LORRAINE WELCH - - - - *Director*

"Music hath charms"

This is the first year Amarillo High School has had a director who devoted her entire time to the music department.

The result of this arrangement has been most satisfactory. Due to Miss Welch's untiring energy the Choral Club has made an enviable record.

The Club has given two radio programs, and assisted in presenting the operetta, "The Gypsy Rover", March 11.



"A" Club

MR. HULL - - - - - - - *Sponsor*

The "A" Club was organized at the first of this year with Mr. Hull as sponsor. Its main purpose was to give the athletic "A" a more important place in the minds of the students.

The "A" Club started with 15 letter men but when the football letters were awarded its membership was increased. Old letter men of A. H. S. were also invited to join the organization.

OFFICERS

EARL BOYLES - - - - *President*
AUDEAN FAIREY - - - *Vice-President*
RICHARD GALLE - - *Secretary-Treasurer*
DICK GALLE - - - - - *Sergeant*

Peppers

MISS WATSON - - - - - *Sponsor*

The "Peppers" were organized early in September with Miss Watson as sponsor of the club. The Peppers attended all the football games and baseball games. The uniforms were gold sweaters trimmed in back with black "bobbie" skirts and gold jockey caps with black bills. The yell leaders for the year were Dorothy Fowlkes and Azell Boone.

Rough Necks

MR. WILSON - - - - - *Sponsor*

The Rough Neck Pep Squad was organized by Mr. Wilson with Gilmore Nunn as leader. The club had a successful year and made a good impression with its yellow shirts, red bandannas and lusty lungs.

Pirates

MISS BRADLEY - - - - - *Sponsor*

The Pirate Pep Squad was organized a short while after the football season opened. Alma Rogers was elected yell leader and Helen McMurtry assistant yell leader. Miss Beulah Bradley was selected as the sponsor of the year. We feel that we have helped our team in every way possible and it is our sincere hope to keep the spirit we have created in years to come.

The staff of the 1927 La Airosa acknowledges thanks to the following, and feel that they helped a great deal in making our book a success:

The West Texas State Teachers College for the engravings of Palo Duro canyon;

The business men of Amarillo for their enthusiasm in our school;

The faculty for their kind consideration;

The school body for their cooperation with us;

The following girls for the time given us in hand tinting the annual:
Frances Powell—Head of group.

Margaret Sheers
Catherene Dohoney
Etoile Lumpkin
Adeline Lumpkin
Louise Hohl
Mary Louise Askew
Cynthia Lumpkin

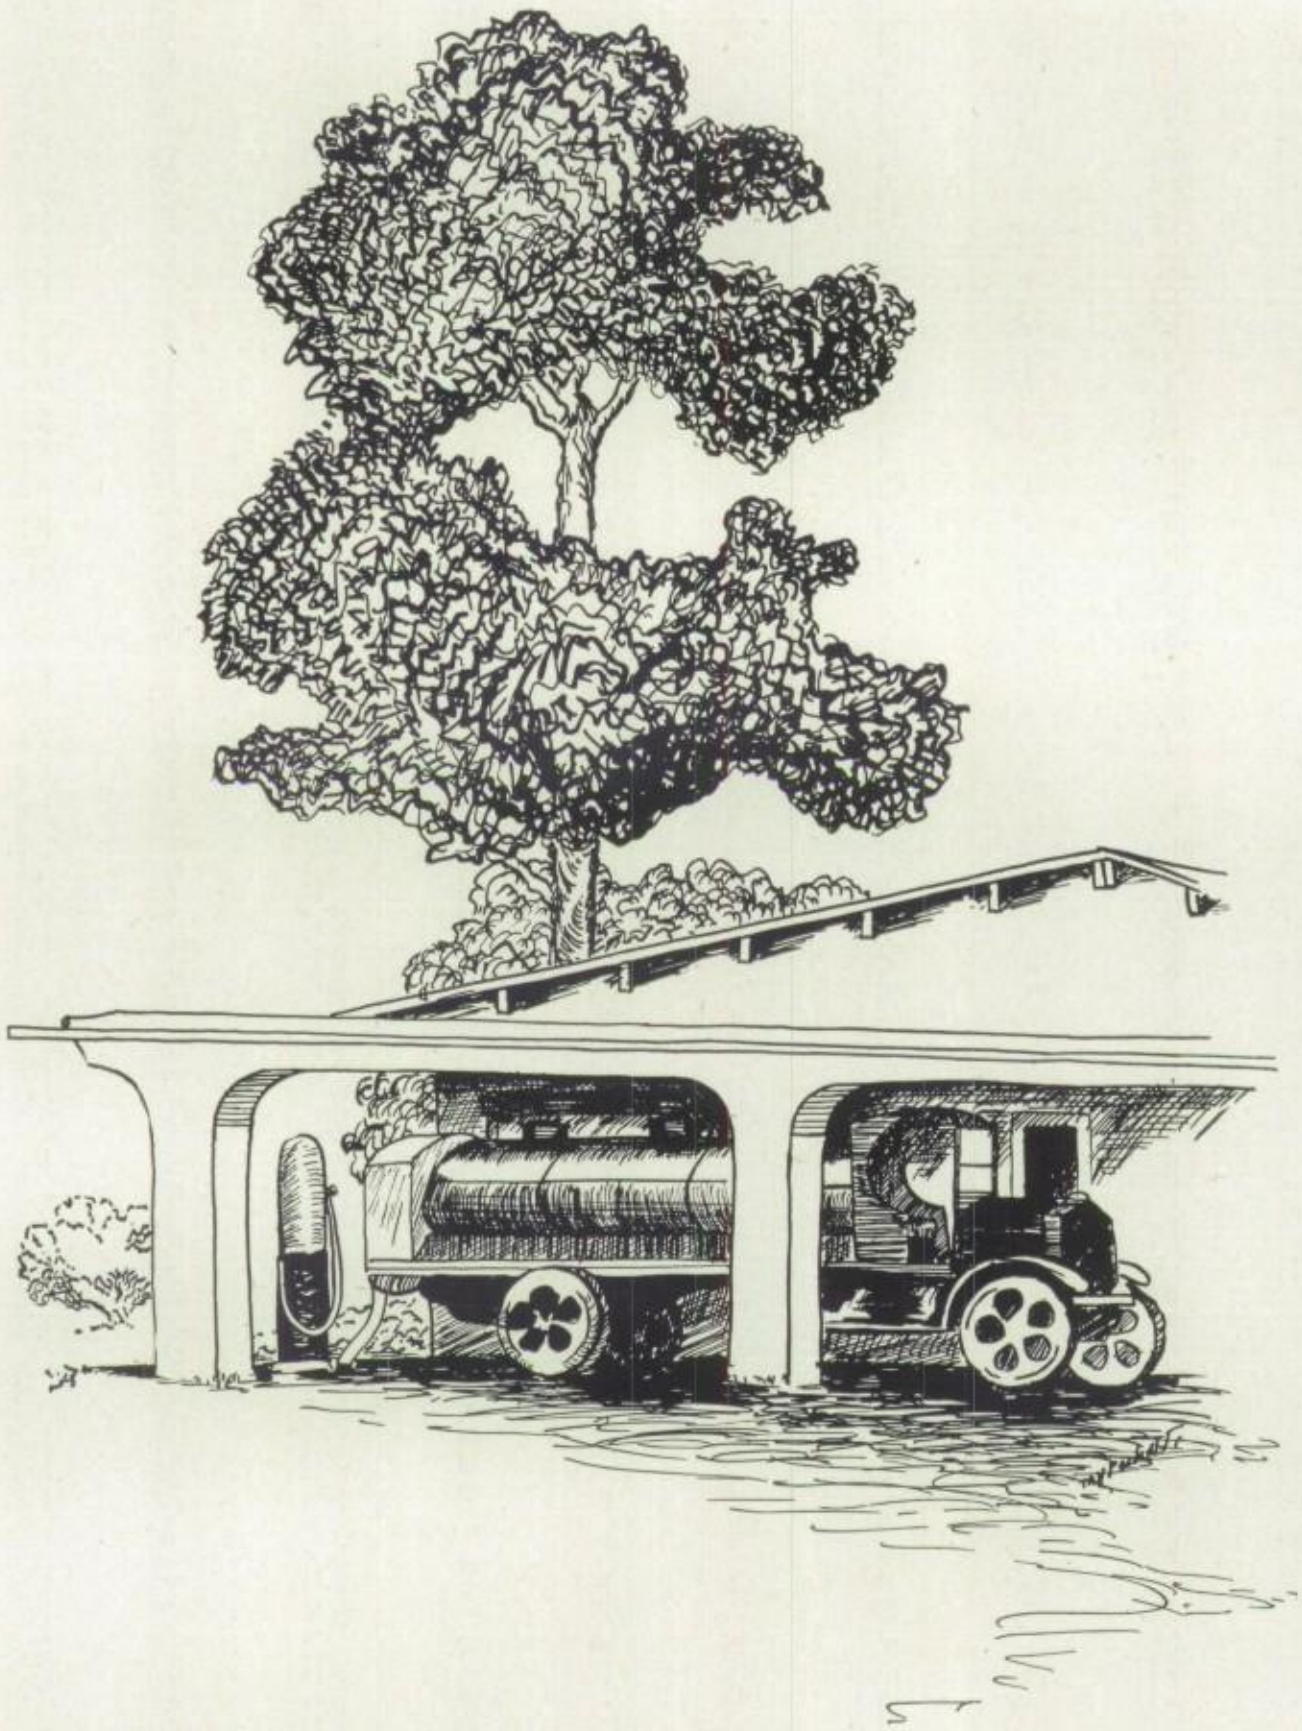
Lillian Blanche Thompson
Zallee Williams

Miss Bradley for the use of the Clothing room;

And Louise Hohl for typing our copy for us.



SCHOOL LIFE

Calendar

SEPTEMBER

6—Ho hum! Let's see this is September isn't it? Wasn't there something we'd planned to do this month? What was it? Oh yes this is the month we kinda thought we'd go back to school. Well here we are.

10—We begin to find which teacher we would rather have by the lessons they assign.

14—The clans and cliques are slowly gathering. Soon we'll know who's who.

15—First foot-ball game with Childress and we won of course. 'Ray for the Sandies!

26—Hot dog! Holiday for Tri-State.

27—'Nother game with Canyon here. Too bad Sandies, but they beat you only a point.

OCTOBER

6—Great excitement. Mr. Mac fell up the steps.

11—Game with Tucumcari. Not so good.

13—Extra!! All Juniors and Seniors ordered shot by November 10th and 15th respectively.

14—False alarm. They're only supposed to have their pictures taken for the annual.

15—Remember the huddle system!

20—Nothing unusual. Just school.

22—Better luck next time Sandies.

27—Pep meeting. We get lectures because of lack of it.

28—'Nother rally and more lecture.

29—See I told you so. We beat Lubbock 3-0.

NOVEMBER

1—The School's still here and we are too (in body but not in spirit.)

4—We work up a little pep before the Plainview game.

5—The game and defeat.

10—All Juniors shot.

11—Armistice Day—a half holiday—a parade—a foot-ball game—more fun!

15—All Seniors shot. Gosh what a relief.

16—"Last Days of Pompeii' at Junior High. Proceeds go for Latin Tournament.

19—Big rally for Lubbock, our old rival.

20—Lubbock just went and took all the joy out of life.

23—The day is cold and dark and dreary
It rains and the wind is never weary.

25—We continue to lose foot-ball games. This time to Memphis.

DECEMBER

2—The last game of the season is ours with the 1927 Sandies carrying off the honors. All old men were not allowed to play.

3—Hi Y boys in Ft Worth havin' fun. G-r-r-r!

4—Chemistry sharks generate chlorine No casualties reported.

14—Big annual drive. Speeches, posters and all that goes with it. Henry Curtis and Sharpe McCullough both have sore throats from yelling.

15—Sale still on.

17—Vacation!! Plenty of sneezes and sniffles and every one returns tired, but happy.

JANUARY

3—We're here again. Seems as if this is the place where we all loaf the most.

10—Some Frosh boys blossom out in long pants. (Santa must have had a few extra pairs.)

11—Revival of Learning 'Tis sad but true—exams are coming. Six weeks tests are bad enough but now we truly suffer.

17—They're here! Oh gosh!

24—New semester and many different questions are heard about the building, as, "Did you pass?" "Oh goody, I beat you. I made 77."

26—Nothing more can happen. We haven't recovered from "mid-terms" yet.

29—Basketball game with Clarendon.

FEBRUARY

5—Basketball again and victory.

9—The weather is the only interesting thing to talk about these days and its awful.

11—Game with Panhandle who bravely nosed out on us. Popularity contest opens. Every one excited.

15—Second game with Panhandle and they were victorious again. Preliminaries in Popularity contest over. Much rejoicing and also much sorrow when the boys look at their pocket books.

18—Finals in contest begin! Much borrowing going on.

22—They're over. Everybody happy—that is most everybody.

28—Nothin' more this month.

MARCH

2—Track training well under way.

4—Forum-Philo Banquet at Herring. Even the girls were present

11—"Gypsy Rover" presented at auditorium. No injuries sustained.

22—Second annual drive. Sharpe and Henry have sore throats again.

30—No spring vacation for us. Tight wads.

APRIL

1—April fool and Latin Tournament.

2—Tri State Track and Field Meet—dust, oh my!

7—All the Seniors in their second childhood today.

15—Baseball game with Hereford.

21—Sophomores stage a wild par——oh goodness, I mean a picnic at Box Canyon.

22-23—District meet at Canyon. Amarillo took first place and Barton was high point man. See you at Austin, Amarillo.

30—Fourteen sweet young things appear at school with question marks on their cheeks! What next?

MAY

3—Mr. Jensen gives all his classes a lecture on "Undue Familiarity in the Halls."

4—Gilmore Nunn and Felix Emmett receive severe chastisement for shoving the girls around. Naughty, naughty.

6—May fete. Spring has came!

12—Juniors loosen up and entertain us (Seniors) at the Palisades. A good time was had by all.

23—Illustrious Seniors and their high ideals!

27—Another year gone!!!

Found around the school!

Dearest of My Heart:

Last night after you brought me home from our date, Earle dear, I thought everything over that you had said, and I know now that you are the man that I shall always love

Yours till death do us part

Betty, why do you act this way? Margaret dear, you know how much I like you do. Of course I know you love me because you do want you when you even smile at the other boys I just despise. Please say YES? Please say you don't. I'll end my jealousy. Say you do. Terrible existance oh me, Betty dear.

Yours forever

This old gold earth

Devotedly,

Bill

Pub

Bonita dear, I can hardly wait 'til we're married just think it won't be long now, only a few more years. We'll be so happy and have a little love nest with all the little

and Stanley, oh she is divine the only one I have to live When he smiles it gives hope, if he could only love me would be the happiest girl in school (and he says he cares for Now don't tell a soul.

Elsie B.

Betty, you're just breaking my heart. If your kind sweet sister Anna Belle didn't tell me how much you truly care, I'd die— yes really die.

Yours only

Charles L.

I'm so [illegible] Hal is adorable and I feel like you & I have something in common since neither Hal nor Jack is in school. I'm so glad you and Jack are happy. "Bet

THE COLD TRUTH

Once I dreamed, oh lover mine,
You'd come upon a war horse fine,
Sword in scabbard by your side,
Claiming me to be your bride.
Crusading knights are out of style,
Lounge lizards beat 'em by a mile;
King Arthur stuff won't go today,
So I looked for you in a Nash coupe.

Alas for dreams of maidens fair!
Alas for things that never are!
The neighbors know that my adored
Calls for me in a stripped down Ford!

COLLEGE FORDS

I'm a wreck, but you drove me to it.
I've been retired, but I'm broke now.
Shiftless, but not lazy.
Nobody hurt in this wreck.
Opportunity—still knocking.

THE SKEPTICS NOTES ON LOVE

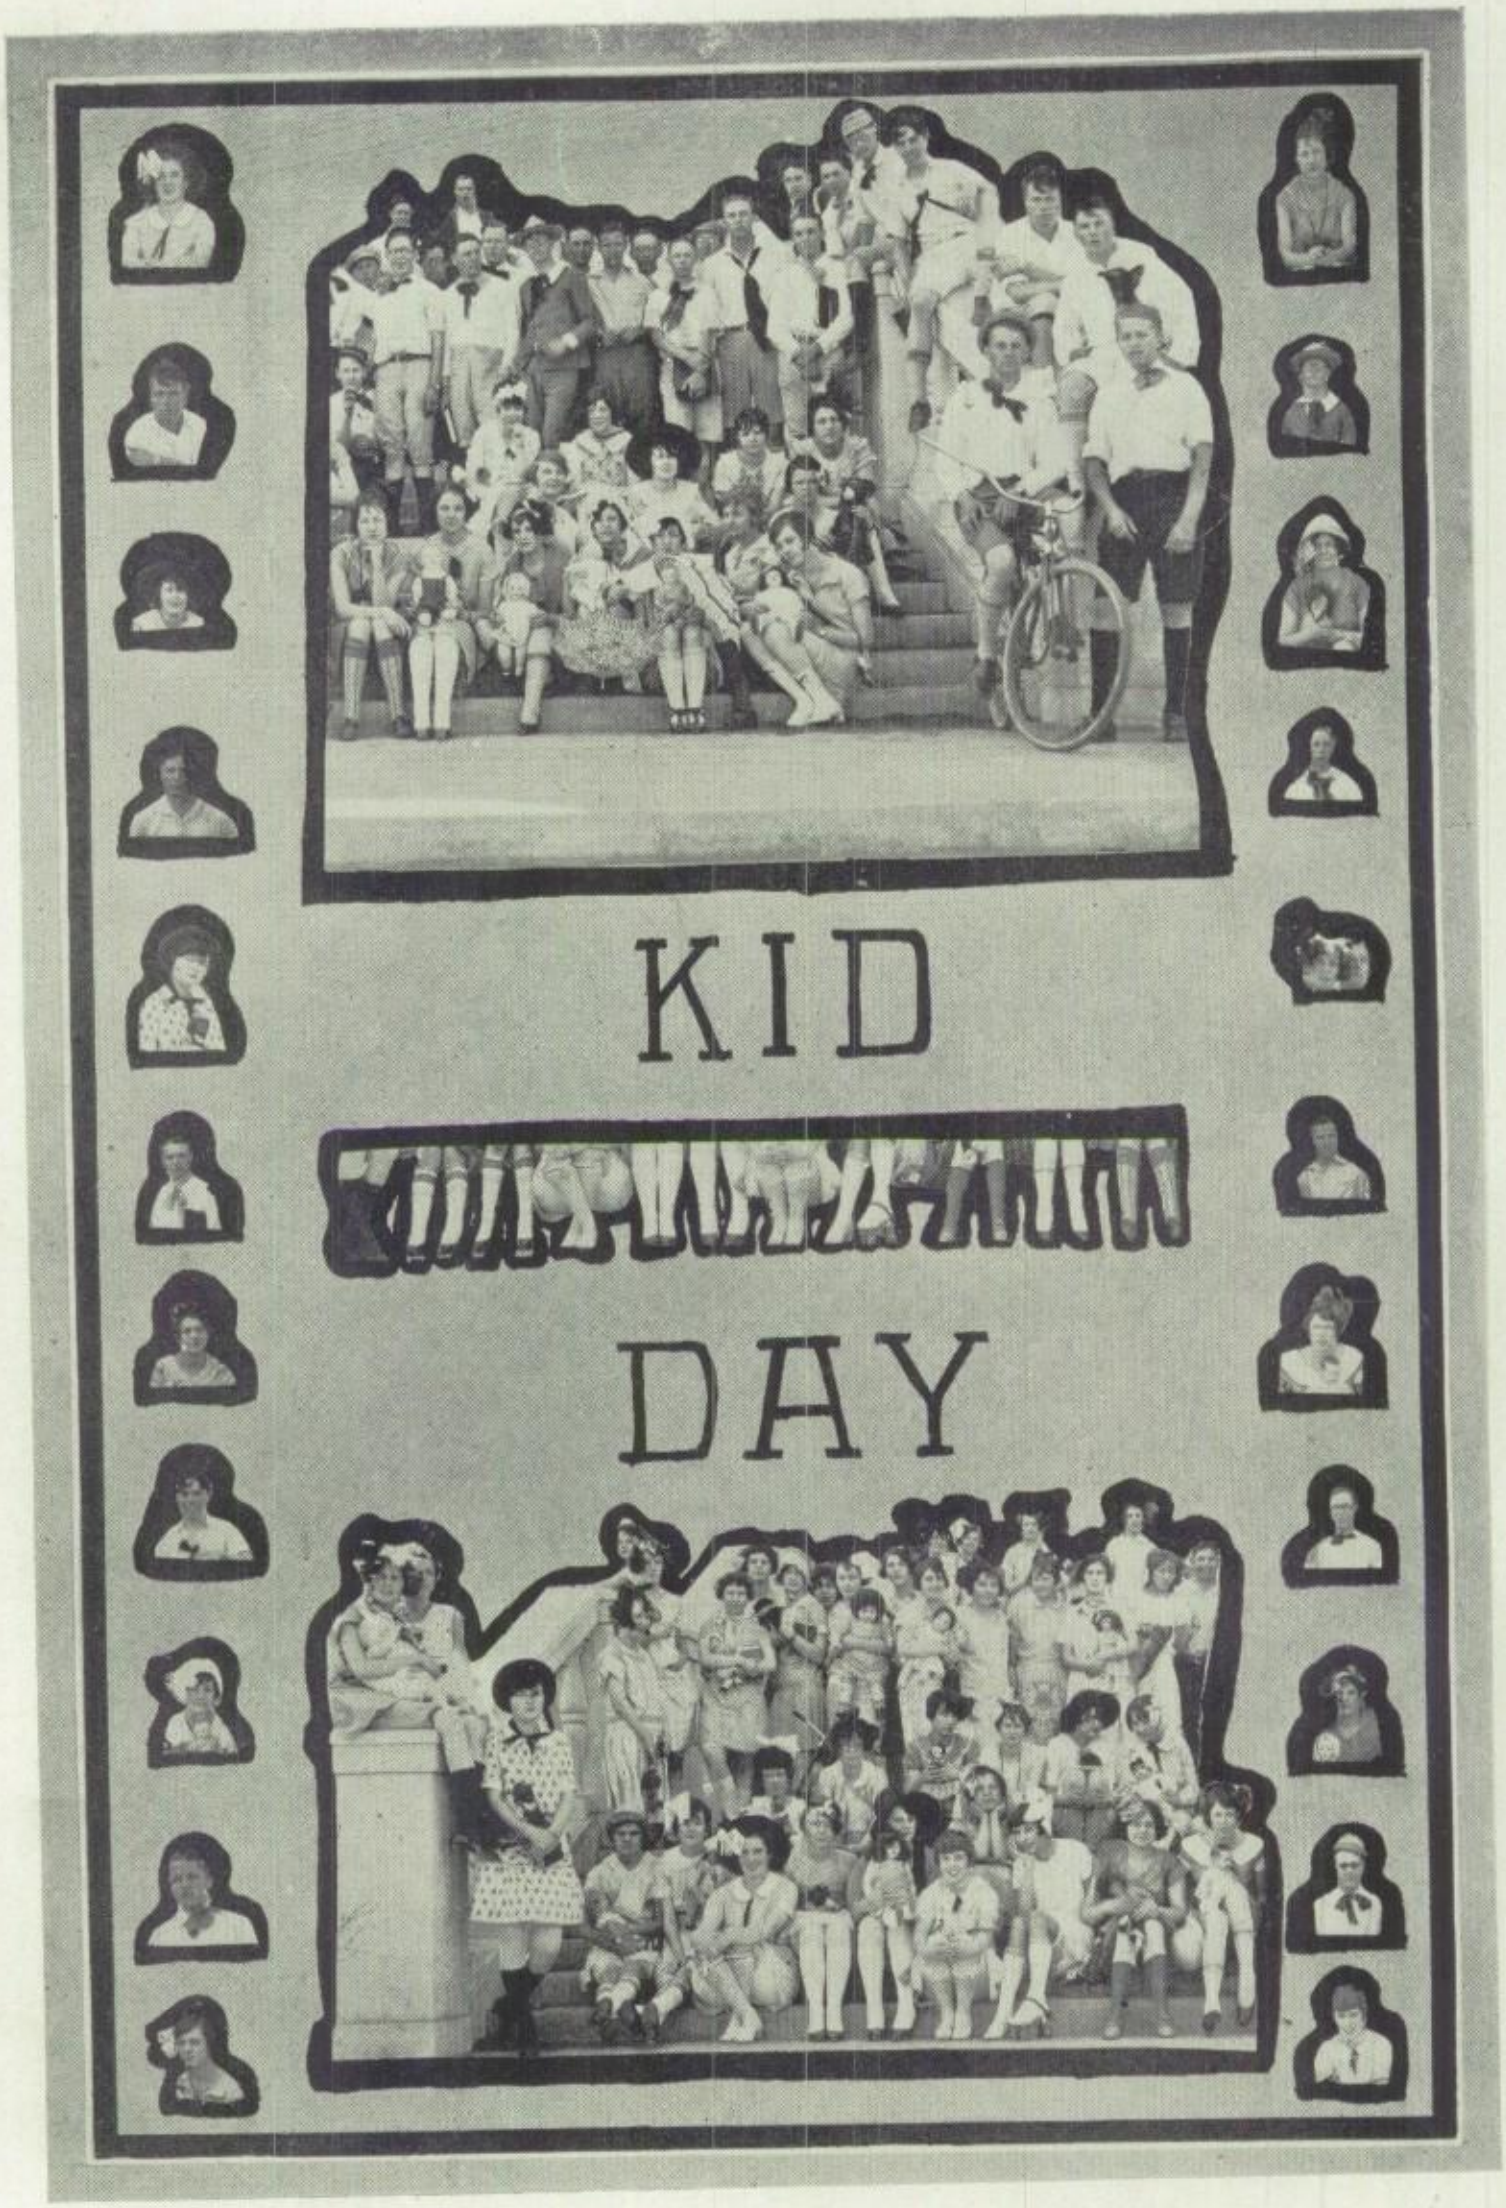
Love is like a diamond —
Dazzling and beautiful to the sight,
But cold and hard to touch.

Love is like a candle-light—
It always flickers out when
It is needed.

Love is like the rim of a canyon—
One look over it makes you dizzy,
One step toward it meets with disaster.

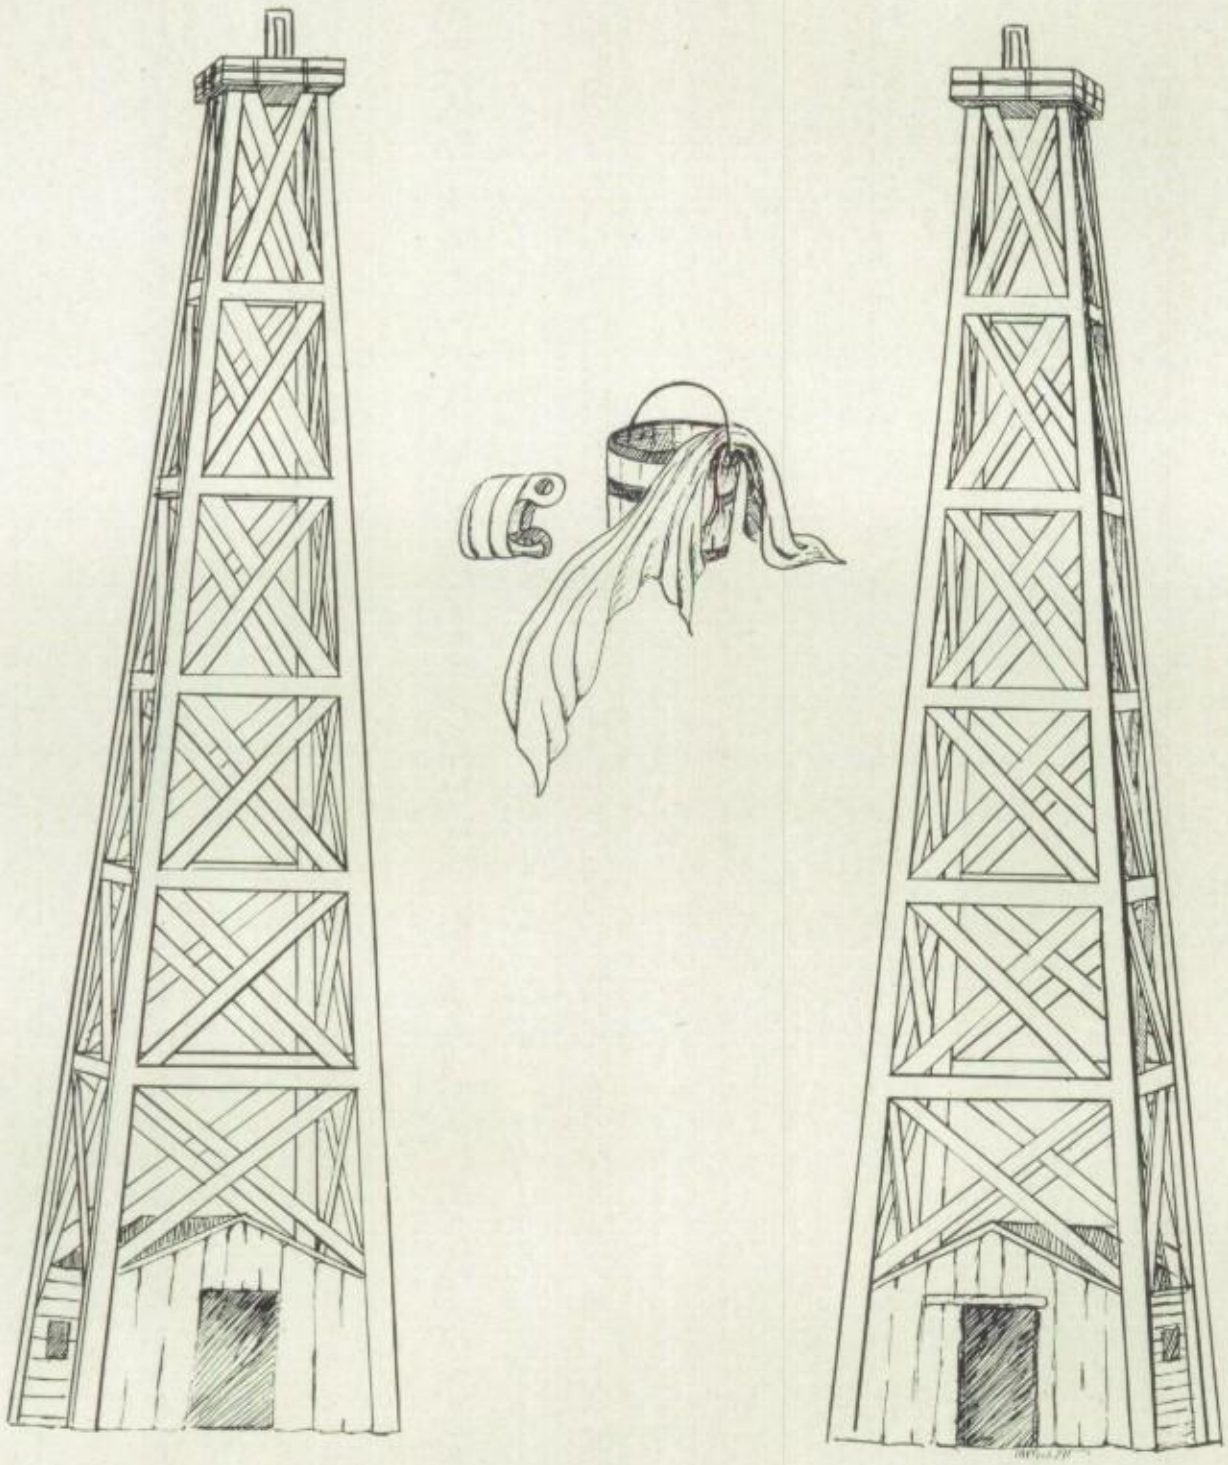
Love is like a mushroom—
You can never tell whether or not it is the real thing
Until it is too late.

Love is like a applepie—
A little crust
And a lot of applesauce.



KID
DAY

ATHLETICS



FOOTBALL

Football

According to the percentage of wins, the Sandies of this year did not have a successful season, for, out of eleven games played we won only four. This apparent failure may be contributed to the following: lack of experienced men and lack of general cooperation. By general cooperation we mean that the Sandies cannot have a successful team until about one hundred boys come out for it We had a good coaching staff this year, but no coach can make a team in one year. Only three members of this year's team were experienced while some of the others had never donned a suit before. But eleven of these boys will be back next year and they are plenty good. We were never really whipped and we stood up to high scholastic standards, which is more than every team can say. With the experience received this year and with the proper cooperation the 1927 Sandies should easily win the district championship and go far toward winning the state title and they will!

Give 'em 'ell, Sandies!

Football Resume

A. H. S.—6 CHILDRESS—0

The Sandies took the first game of the season from Childress at Childress in a hard fought game. Both teams were hampered by the intense heat and had it not been for Bassett's consistent playing we would probably have lost this game. However, the whole team did well considering the circumstances and we were certainly proud of this victory.

A. H. S.—12 CANYON—13

Again the fast Eagles swooped down on the inexperienced Sandies and took home a victory. As before, the Eagles won with a passing game. In the first quarter the Eagles scored on a completed pass and in the second quarter, Brown of Canyon, intercepted a pass and ran 90 yards for a touchdown, piling up a lead which the Sandies were unable to overcome. The Sandies came back in the second half and made two touchdowns but were unable to kick the goals.

A. H. S.—21 TUCUMCARI—27

The Sandies lost to this New Mexico bunch in a hard fought game. It was a see-saw affair from beginning to end although the Sandies outplayed the Rattlesnakes in every phase of the game. Three were no outstanding stars, but everyone fought hard and deserved praise.

A. H. S.—42 HEREFORD—13

The Hereford Whitefaces met defeat in the first degree at the hands of the Sandies. They were outplayed in every stage of the game. However, the Whitefaces will be remembered for their huddle system which they had down to a fine edge. Bassett's punt returning and drop kicking together with the team's good playing won this victory for us.

A. H. S.—7 CLOVIS—26

The Sandies followed up their Hereford victory with a defeat at the hands of another New Mexico team. They fought hard throughout the game but with six regulars, Bassett, Larsen, Rockwell, Napps, Erhardt and Rial, out of the game the Sandies were unable to check the sweeping end runs of the Clovis team Clovis later tied Albuquerque for the championship of New Mexico. However, next year the Sandies are going to show the New Mexico team where their cactus is.

A. H. S.—3 LUBBOCK—0

The Sandies won their first conference game from the Lubbock Westerners. This was a very hard fought game and had it not been for a 45 yard drop kick there would have been a different ending. In the first half the Sandies kept the ball nearly all of the time but they were unable to put it over and the half ended 0 to 0. In the second half the Westerners put up a better fight but Bassett finally managed to boot one over the goal in the fourth quarter. The line did pretty work in this game and Larsen and Bishop deserve mention.

A. H. S.—6 PLAINVIEW—10

This is the game that cost the Sandies the championship of this end of the district. The Bulldogs came here as the "under dogs" and were fighting mad, while, on the other hand, the Sandies seemed a bit over-confident. However, they were not so over-confident that they did not fight—Sandies always fight!—but they lacked some of the spirit that was displayed in the Lubbock game. Perhaps this can be accounted to a break which Plainview had at the first of the game. In the first quarter, after the Sandies had forced the ball to Plainview's 10 yard line, Boswell, of Plainview, intercepted a pass and raced for a touchdown. In the second quarter the Bulldogs made a field goal piling up a lead which the Sandies were unable to overcome.

A. H. S.—7 VERNON—27

Although the score does not indicate it this was one of the best games of the season. The Vernon team did most of their scoring in the first half, for in the second half the Sandies displayed some real football. Time and again it looked as though the Sandies were going to win but always something happened to stop them.

This game did not count in the interscholastic rating but nevertheless the losing of it hurt. There were no individual stars for every one played a good game.

A. H. S.—7 LUBBOCK—12

Again the Sandies were defeated in the first few minutes of play. Lubbock received and marched down the field for a touchdown seemingly without intervention. In the second quarter Lubbock made another touchdown and the half ended 12 to 0. In the second half the Sandies put up a better fight but were unable to make more than one touchdown. The Westerners were held scoreless during the last half mainly through the efforts of Bishop, who played a wonderful game Bishop played every minute of every game in the season and deserves great recognition.

A. H. S.—0 MEMPHIS 10

The Sandies were defeated this time by a one man team. Dennis, regarded by Mr. Hays and many others as the greatest player in the Panhandle, proved to be a regular demon, making all the scores of the day. In the first half he made a touchdown and kicked goal and later in the game he kicked a field goal.

It seemed that the Sandies just couldn't get started in this game. However it is certain that Memphis couldn't have accomplished so much without their man, Dennis.

A. H. S—9 PANHANDLE—0

The last game of the season was played by the 1927 Sandies, for all Seniors and men that would not be back next year were not allowed to play. Travis, who will probably be quarterback next year, piloted the team like a veteran.

This game was not very important except for the fact that it showed what kind of a team we will have next year. All the boys did wonderfully well considering everything and it looks as though we're going to have a real football team next year.

Good luck, Sandies!

BASSETT—*Captain* Quarterback

"Anthony" played his last football with the A. H. S. this year. It has been said by many that Carter is one of the greatest athletes ever produced by this school and we realize now, how we will miss him in the years to come. Wherever Carter goes we are sure that he will make good and we wish him all the luck in the world.

BISHOP Center

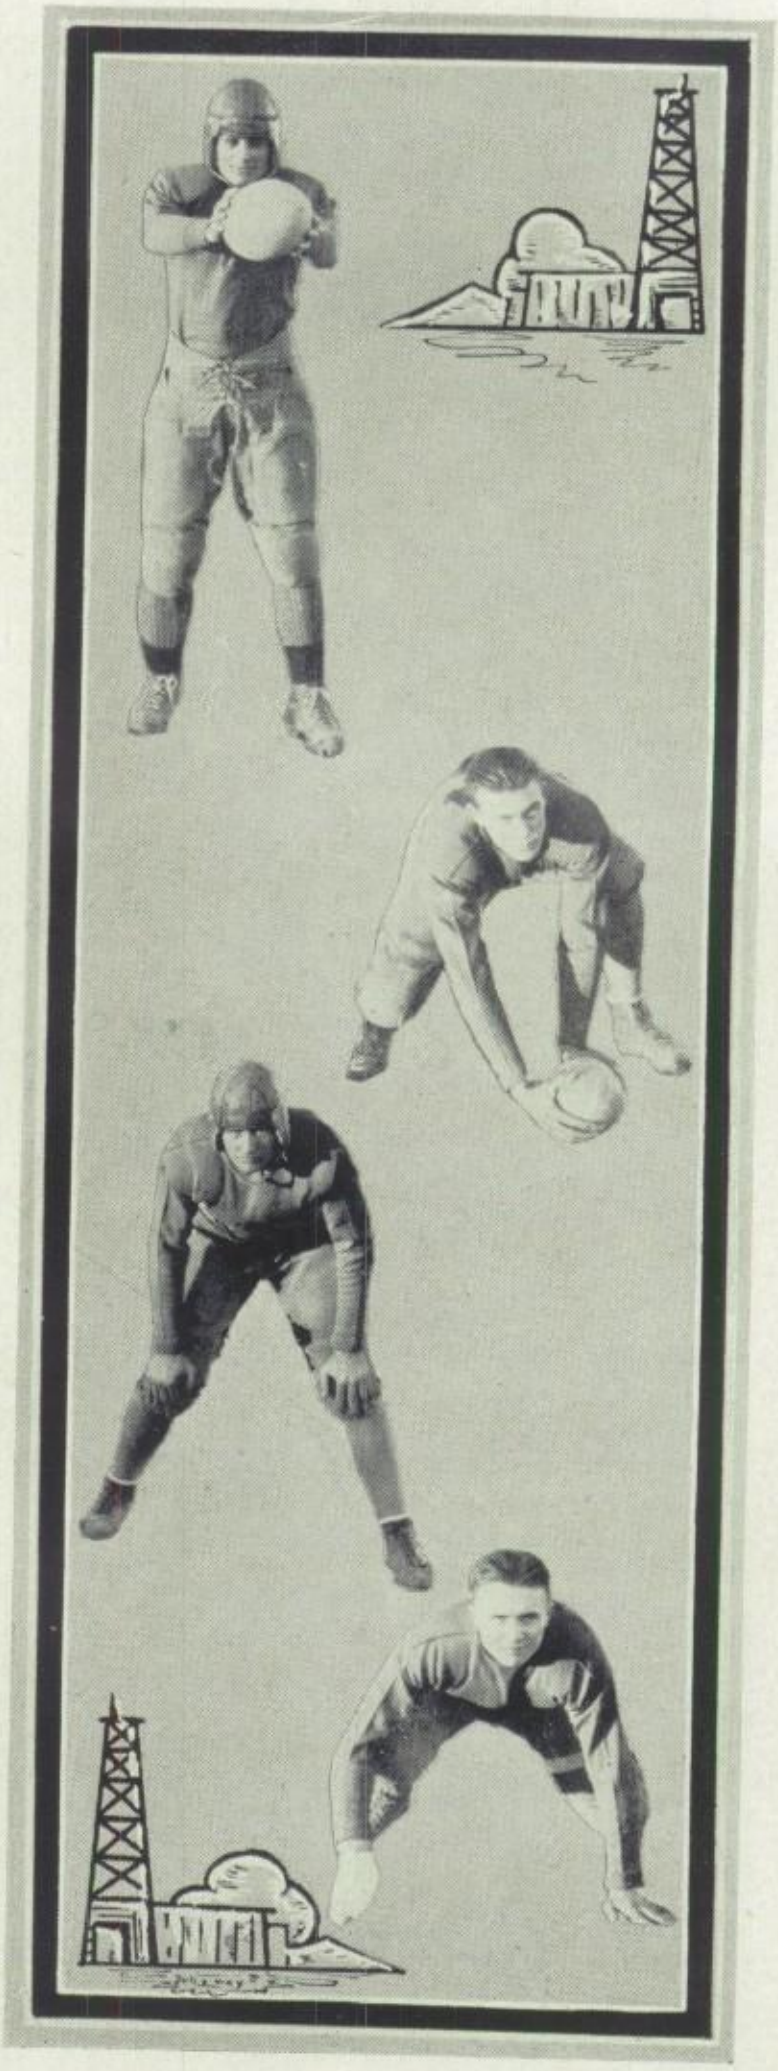
"Big Bish" was one of the greatest men on the team in both size and playing ability On the defense Bishop was unexceiled but on the offense sometimes his passes were off. However, considering everything Bishop was one of the best centers ever produced by the A. H. S. and we're sorry to have him leave us next year.

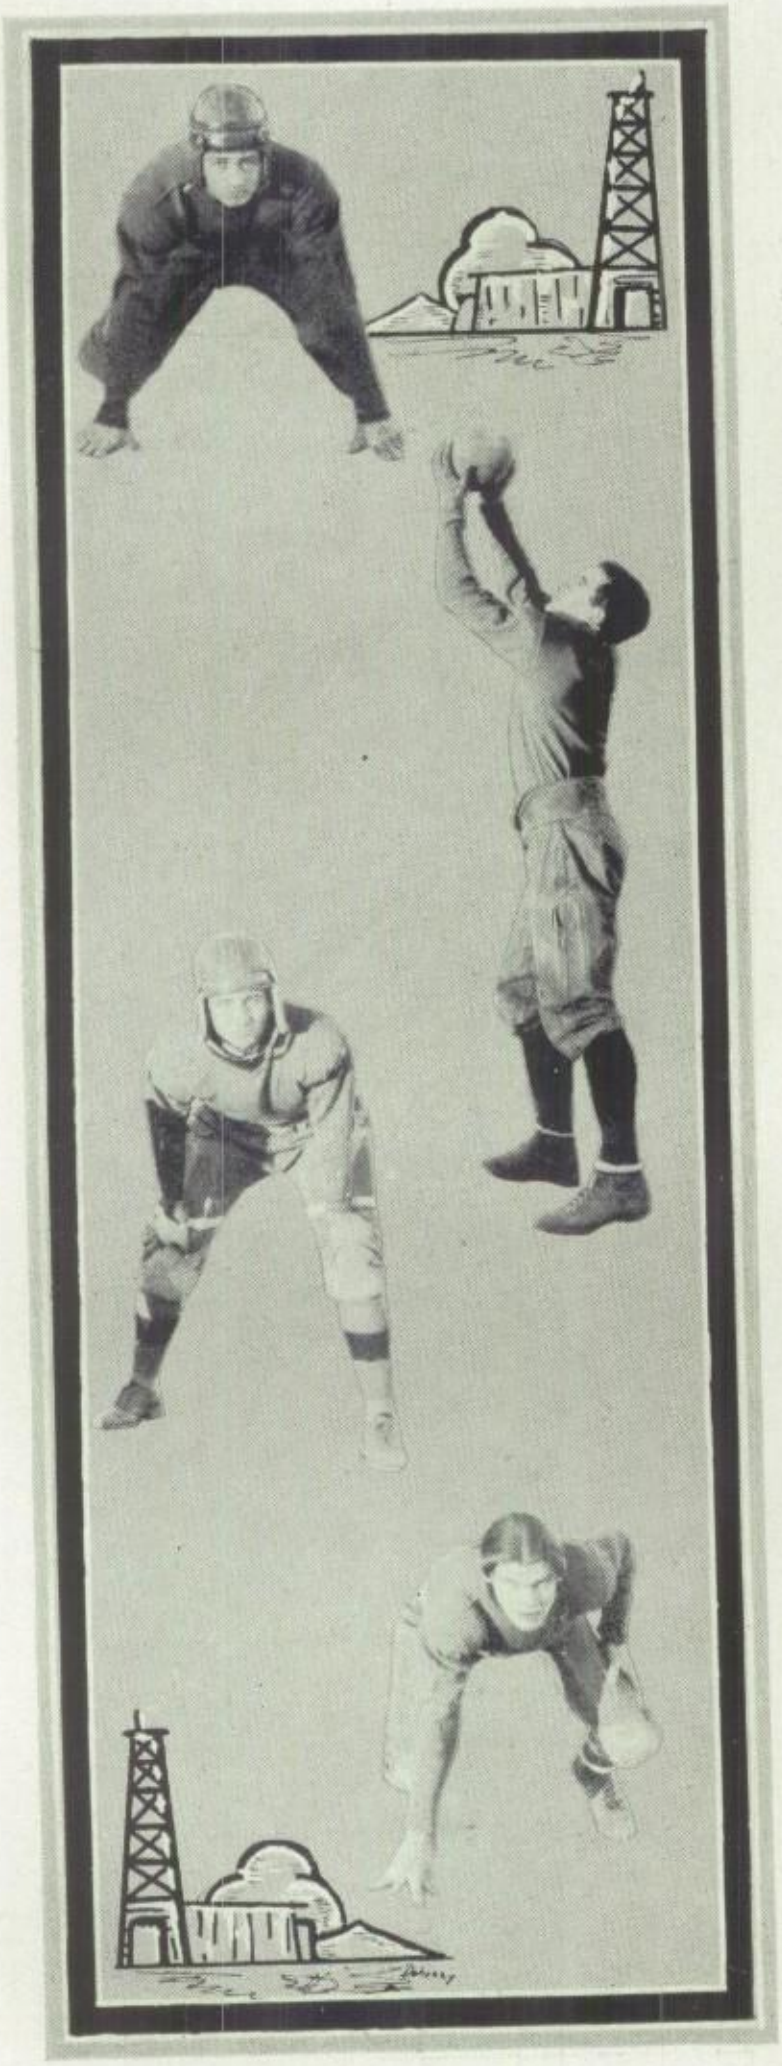
LARSEN—*Captain-elect* Tackle

Larsen was the most consistent player on the squad. He was in there fighting and could be depended on in every case. Larsen will be back next year and we expect great things of him.

ERHARDT Tackle

Erhardt was hampered during part of the season with a bad ankle, but when he was in condition he played a splendid game. Erhardt will be back next year and if his physical condition is all right he should make a great tackle.





HAMILTON — Guard

Arthur was the littlest man on the squad—but in size only. He was a regular demon and had he been a little larger he would have accomplished much more than he did. This is Hamilton's last year we're sorry to say.

NUNN — End

Nunn played full-back at the first of the season but he was later shifted to end to take Rial's place. He showed up especially in receiving passes and was also good on the defense. Next year Harold should make a great showing.

PEARCE — End

Ed was one of the few letter men on this year's team. He was one of our best pass receivers and next year, with consistent training, he should show up well.

ROCKWELL — Halfback

"Ken" was about the fastest man on the team and if he had had more weight he would have made a real halfback. He will be back next year and we expect him to be one of our best men. Good luck, Ken.

HUDGINS — Halfback

"Hudg" came here from California and made the team right away. He had plenty of speed and was especially good on skirting the ends and receiving the passes. He will be back next year.

FAIREY — Fullback

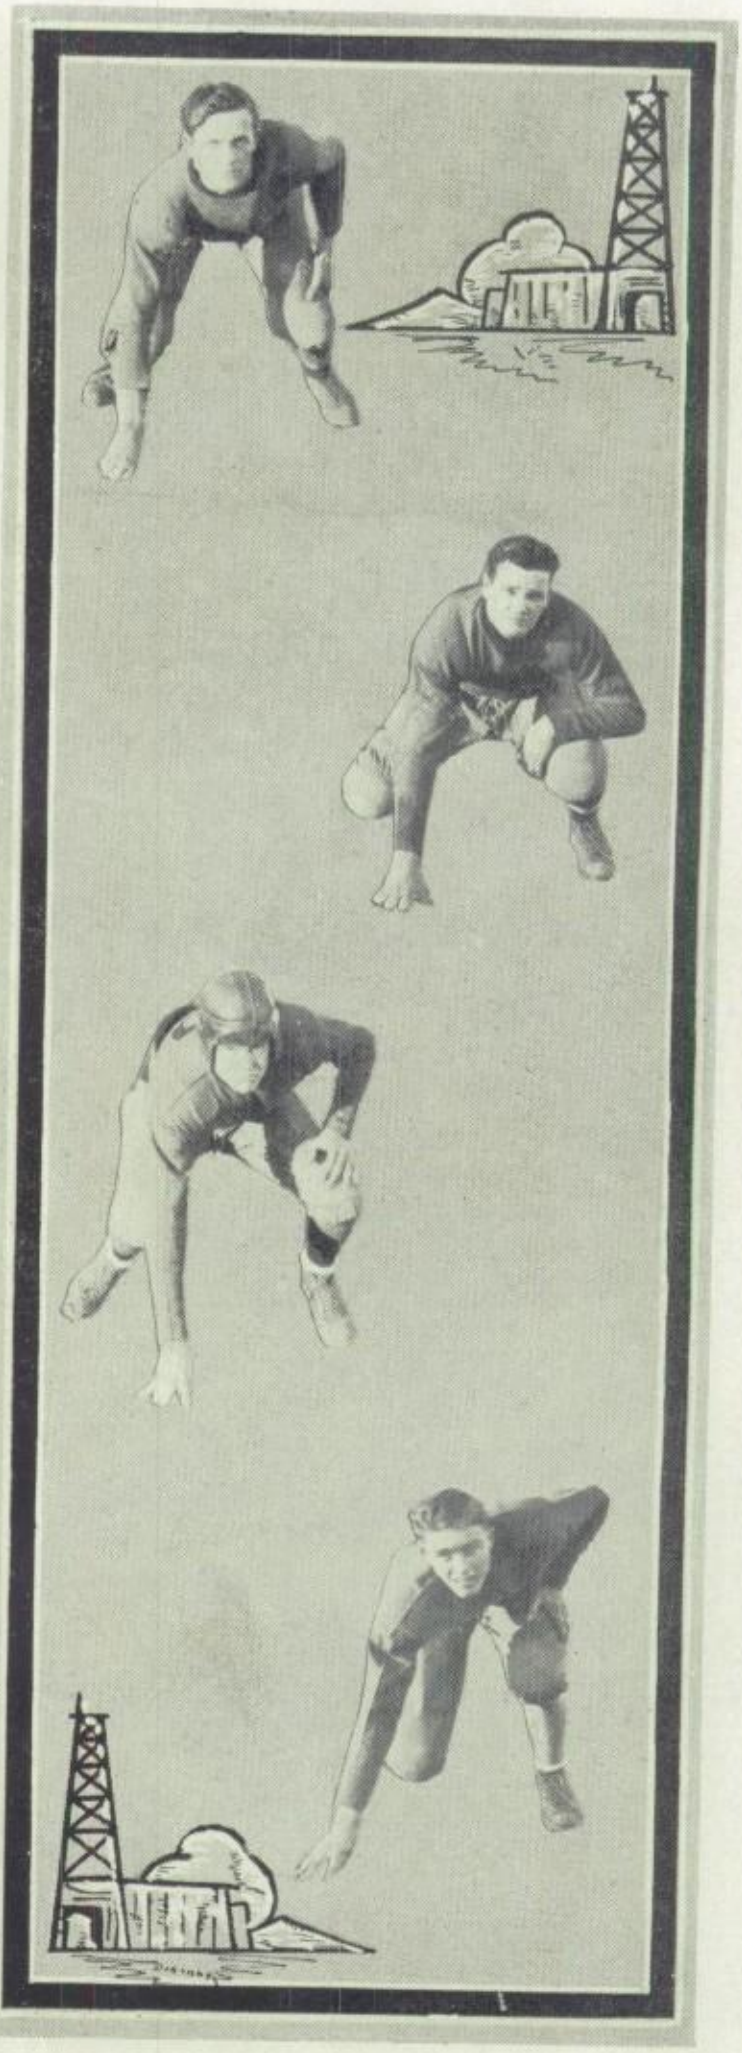
"Aub" did not start football until late in the offense at line plunging. It was not was a real fighter. He was especially good on the defense at backing up the line and on the offense at line plunging. It was not ability so much as "fight" that made 'Aub" a football player.

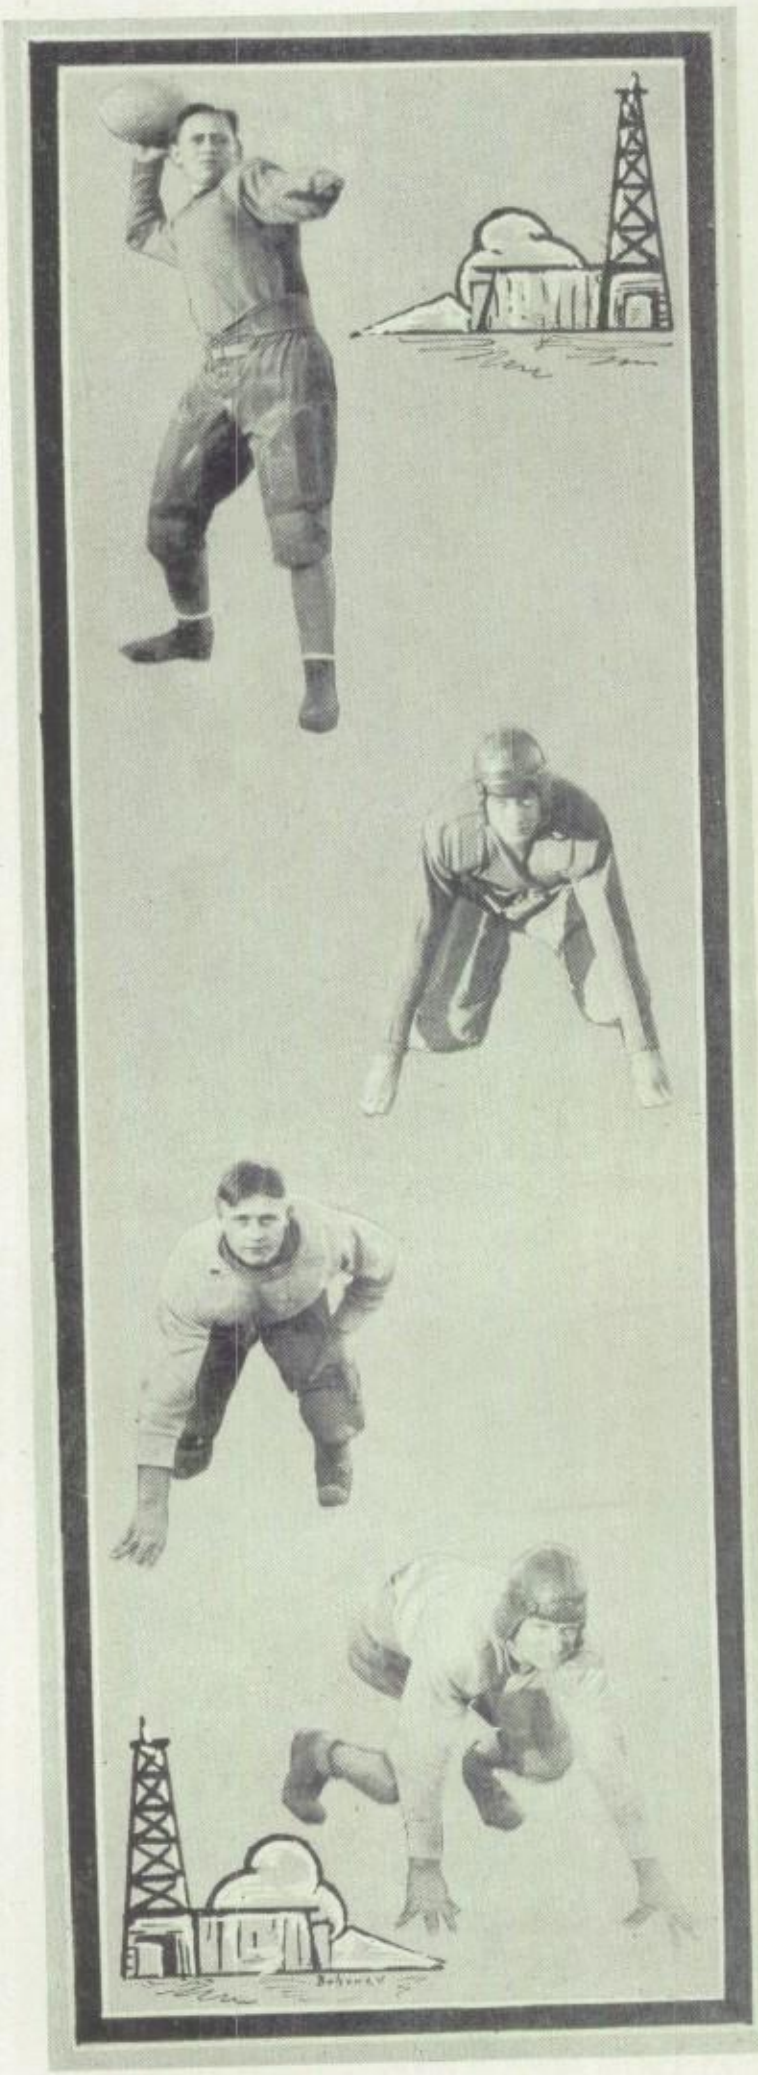
BORDEN — Fullback

Borden was one of the best interference runners on the team. He could always be depended upon to get his man. Frank was also fast and good on off-tackle plays. Next year he should be one of our best men.

DOEBBER — Halfback

"Doeb" played football for the first time this year and did splendid work. He was plenty fast and hard and had he been quicker in getting signals he would have been a real player. Next year we expect a lot of "Doeb".





SMITH — Tackle

"Fat" Smith is another kid that loves football. He is heavy, low, and not at all slow. Smith graduates this year and the '27 Sandies will miss him.

CONKLIN — Guard

Conklin was the youngest man on the squad this year. With no experience whatever he made the team on hard work alone. Conklin will be back next year.

HAYDEN — Guard

"Freddie" is just another chip off the old block. He did not play quite the game that Guy did but he had the right spirit and was a great asset to the team. Freddie will not be back next year.

SPEAR — Guard

Clem was another "late find" that turned out for the best. He played for the first time in the second Lubbock game but there he showed his worth and was lettered at the end of the year. He will be back next year.

McAfee — End

"Cicero" played for the first time in the Clovis game. This was his first year out but he showed the right stuff and with a little more experience should have been hard to beat. We lose him this year.

Flenniken — Halfback

Bill played football this year for the first time. He's a natural born athlete and if he will only stay with football he'll make a real player. Bill has a wonderful arm and next year he should make our best passer. Good luck, Bill.

Hays — Coach

This was Mr. Hay's third year with the Sandies and considering everything he put out a fairly good team. He is a hard worker himself and consequently he makes the boys work hard at all times. To Mr. Hays we extend our best wishes and hearty cooperation.

Dutton — Ass't Coach

Last year "Tiny" made his debut in Amarillo. He was a live man himself so he not only told the boys but he showed them. Here's hopin' that "Tiny" will be back next year.

BASKETBALL

Basketball Resume

The basketball team of this year deserves great praise. Without a gymn and with very little equipment, the Sandies formed a basketball team that matched up with the best of them in this part of the country.

Yocham, who was elected captain, was high point man, making 91 points. W. Larsen was second with 51 points and Travis was third with 28 The Sandies made 200 points to their opponents 132, winning 4 games out of 8. The last two games were played with Panhandle who bravely nosed out on us in both games.

Next year the Sandies should have a real team. Most of the letter men will be back and for the first time in history the A. H. S. will have a gym.

Luck, Sandies!

W. LARSEN — Forward

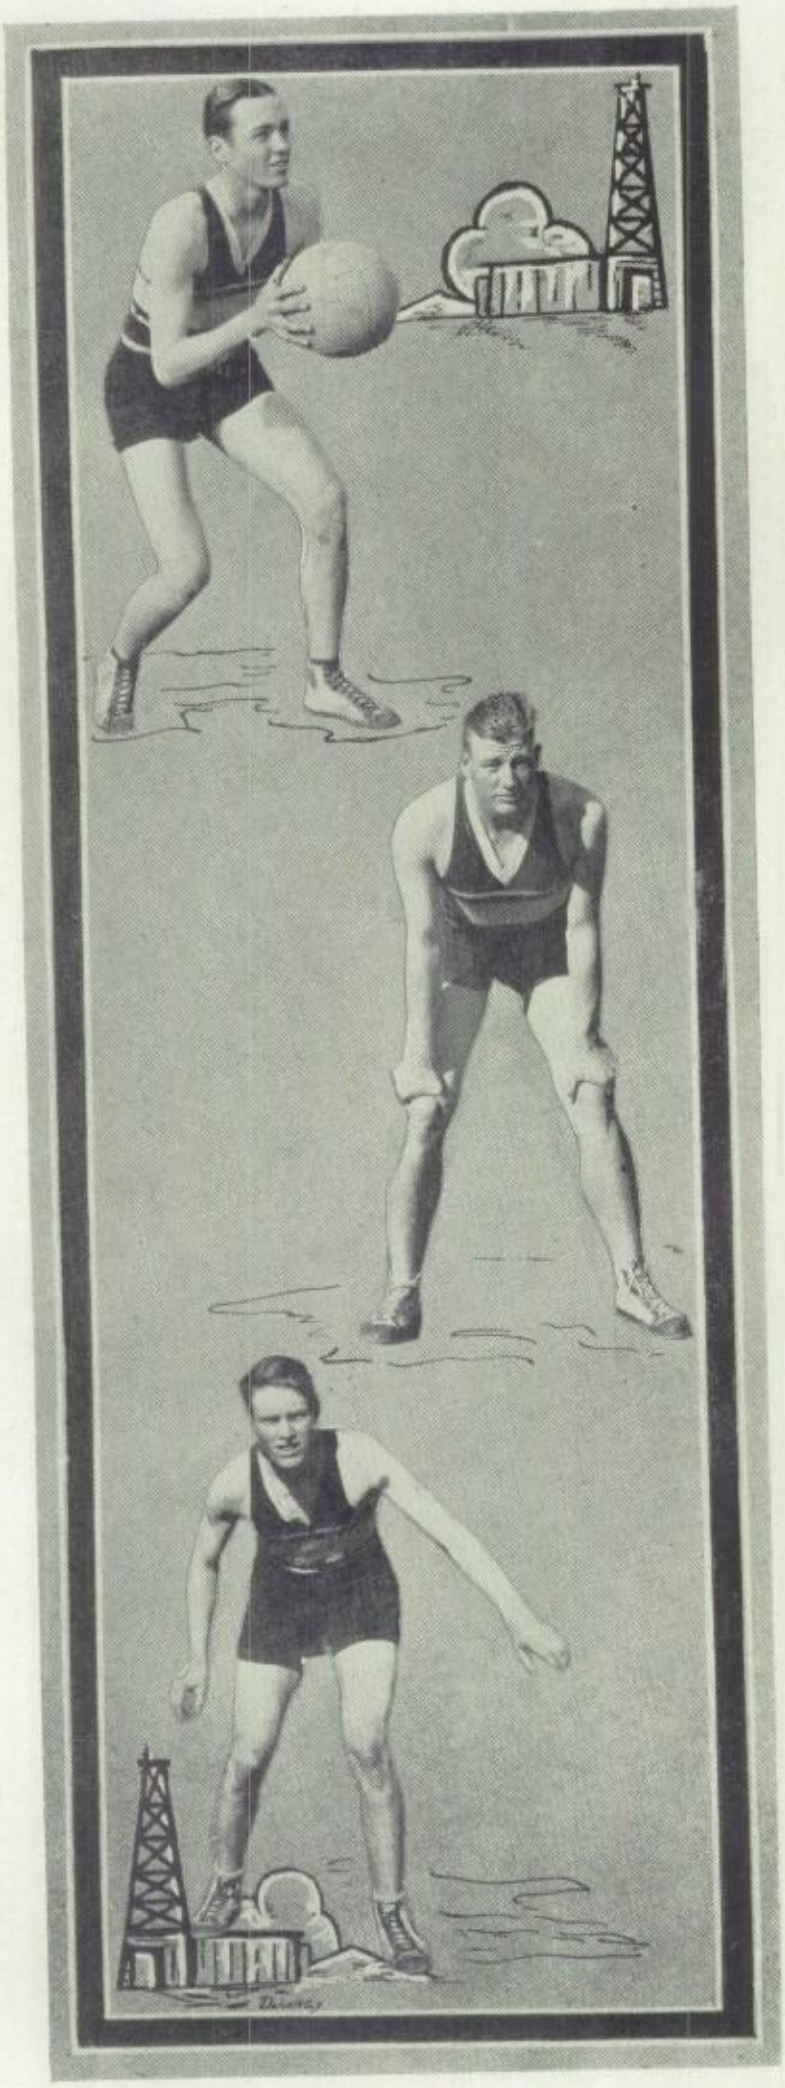
"Weeney", with a little Jr. High experience, made the team from the start this year. He was a high scorer and showed good floor work. He will be back next year.

TRAVIS — Forward

Travis was third high point man. He was fast, knew basketball, and was a "sure-shooter". With Travis back, a new gym, and seven letter men, the '27 Sandies should make a fine showing.

BLADES — Forward

"Humpy" was one of the smallest men on squad but he was fast and was a good goal shooter. Next year he should make a real forward.



YOCHAM—*Center* Captain

"Iky" was high point man both this year and last year. He and Travis formed a nucleus around which a real basketball team was made.

R. LARSEN Guard

"Rosy" was the heaviest man of the team but he knew how to use his weight to an advantage. He always played a good steady game as stationary guard and he will be a decided asset to the '27 team.

DCEBBER Guard

This was "Doebs" first year with the basketball team and he has just started! "Doeb" has a wonderful athletic future before him and we sincerely hope he will take advantage of it.

CLAYTON — Guard

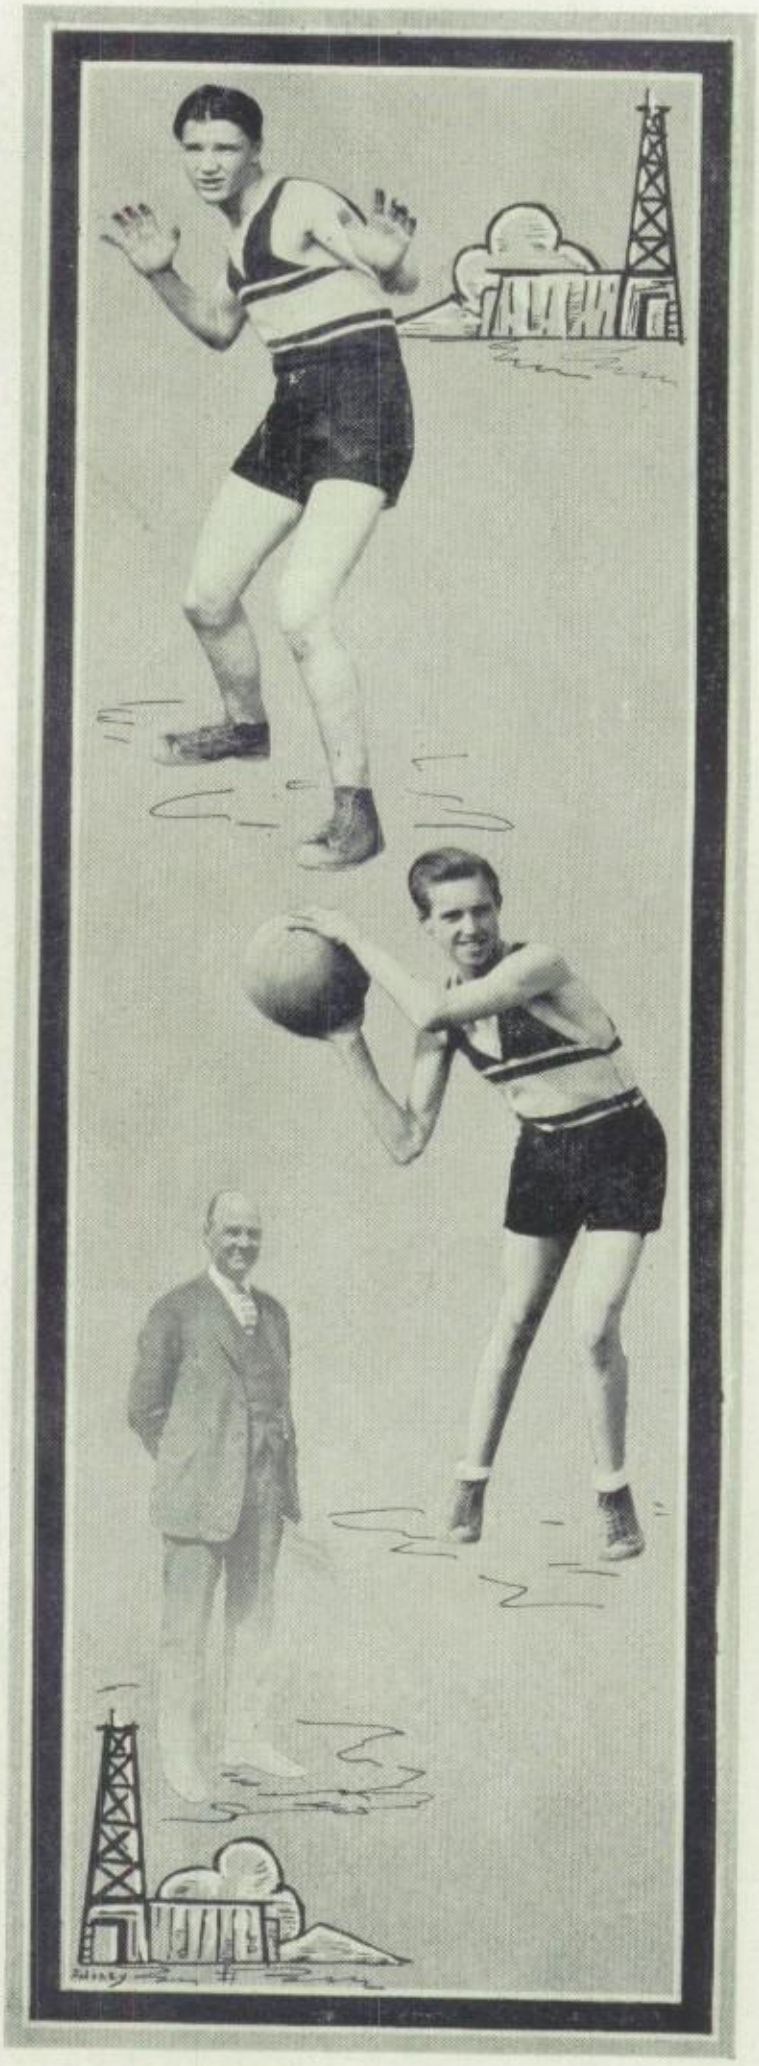
This was Jim's first year on the squad but he did some good work. If Jim will only stay with basketball he will make a real player.

GEORGE MAYS — Forward

Mays came here from California and played basketball for the first time this year with the Sandies. He was the smallest man on the squad but he was fast and a good goal shooter. He will be back next year.

HAYS — Coach

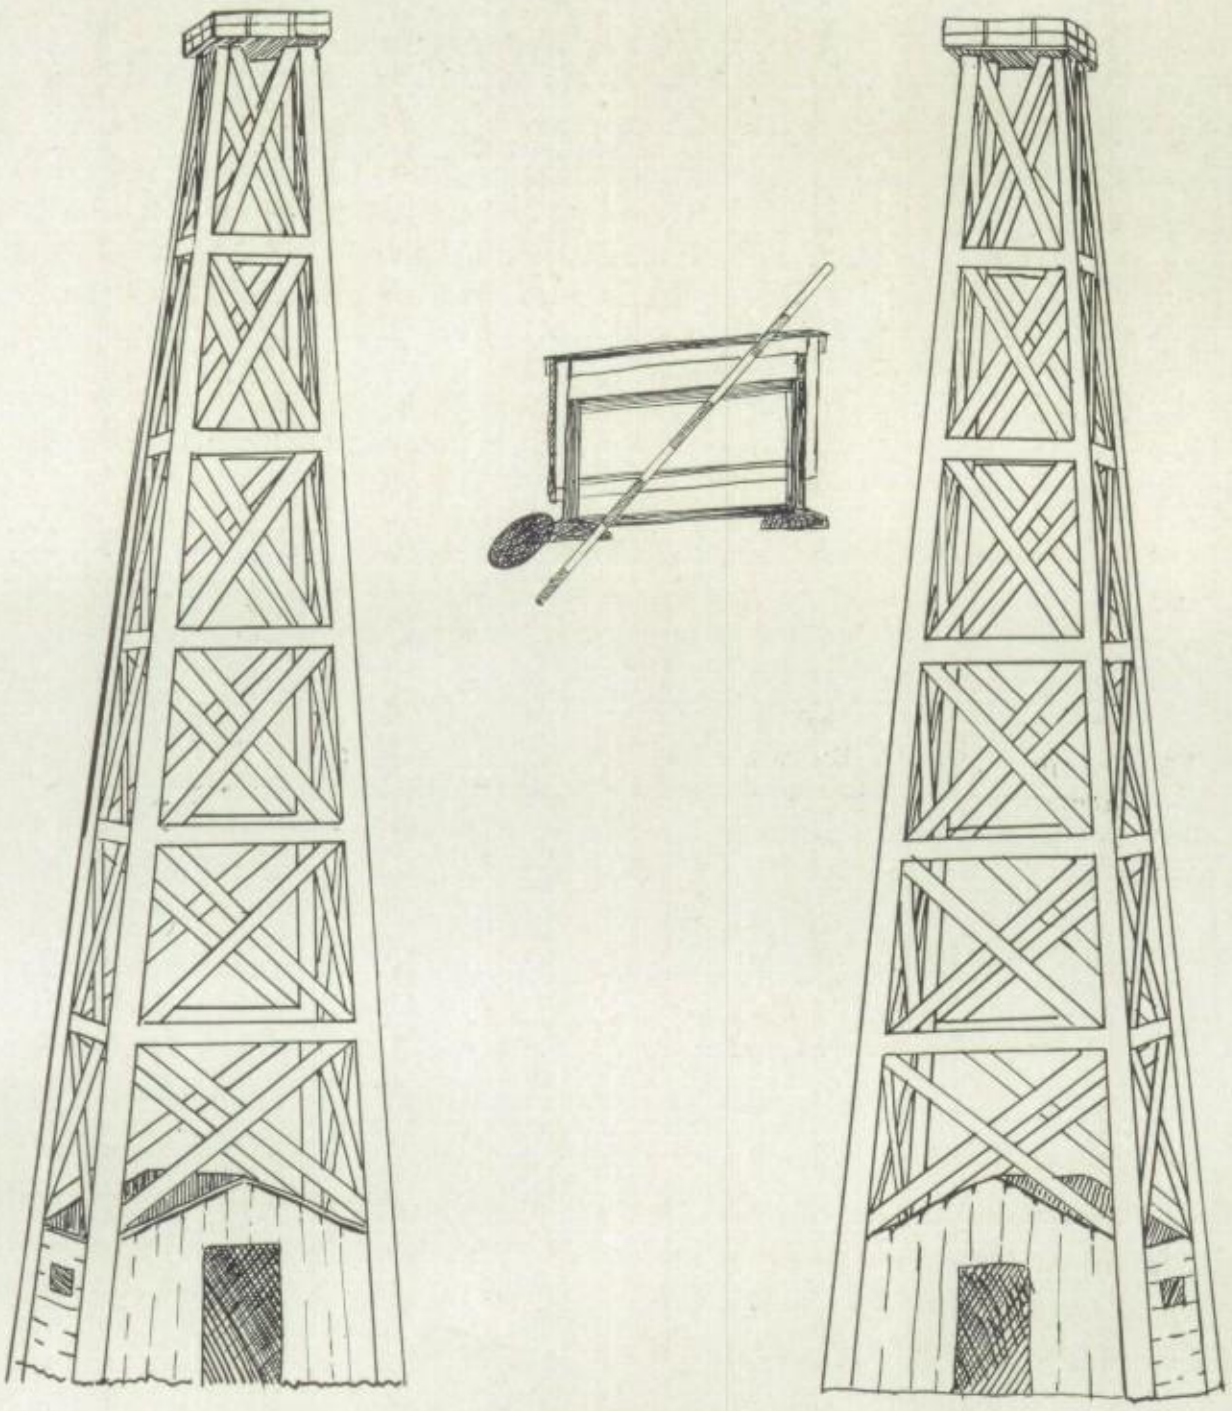
Mr. Hays made a real basketball team this year out of two letter men and the rest raw material. He had no gym to work in but nevertheless he stayed right in there and put out a team. Here's hoping that Mr. Hays will be back next year.



Basket Ball Girls of A.H.S.

The Amarillo High School Girl's Basket Ball Club was organized in November 1926. The good coaching of Mrs. Atwood and the steady practice of the girls made it possible for match games early in the season. However not many games were played with out-of-town teams due to the fact that our challenges were not accepted. They were victorious in all the games played and are in good condition for next year.

The most important games played were with Panhandle, Western Union Girls and The St. Mary's Academy Girls.



TRACK

Track Resume

The Sandies started the season this year with 42 aspirants and with a good place to work in. After a few days training Hull and Dutton arranged the first contest, a 2 mile run sponsored by the Clements-Young Co. This was held on Feb. 18 and was open to all. Charles Frazier took first place and John Gilliam took second.

On Mar. 4 a class meet was held sponsored by the Victory-Wilson Co. Barton took the meet with 19 out of a possible 25 points Borden took second place.

The annual George Lindsay trophy meet was held on Mar. 12. Schneider was high point man with 24 out of a possible 25 points. Barton and Borden tied for Class A honors, each making 23 points.

Mar. 26, the Clarendon Invitation meet was held. Clarendon took the meet with 52 points and Amarillo was 2nd with 51 points. Taylor of Clarendon was high point man with 20 points while Barton of Amarillo was 2nd with 15 points. In this meet Barton ran the 100 yd. dash in 9 4-5.

On Apr. 2 the Tri-State meet was held. This was the largest meet ever held in Amarillo and there were many entries. Tucumcari took first place with 24 points, Childress second with 20 points, Floydada third with 18 points, and Amarillo fourth with 16 points. Mocus of Tucumcari was high point man with 18 points. Barton was high point Amarillo man with 11 points.

On Apr. 22 and 23 the Sandies took the district meet for the sizth consecutive time. Barton was high point Amarillo man with 3 first places. In the 220 Barton broke the district record. The relay team, consisting of Newby, Hudgins, Borden, and Melton, won first place and will represent at the state meet. Barton, Doebler and Hagan will also represent at the state. Clarendon took second place in the meet with 27 points and Canyon third with 23 points.

Two more meets, one with Garden City and one with Abernathy will close the Track season. Here's luck Sandies!

BORDEN — Captain

This was "Hank's" second year on the track squad. He ran the quarter, was the last man on the relay, high jumped and broad jumped. He will be back next year.

BARTON

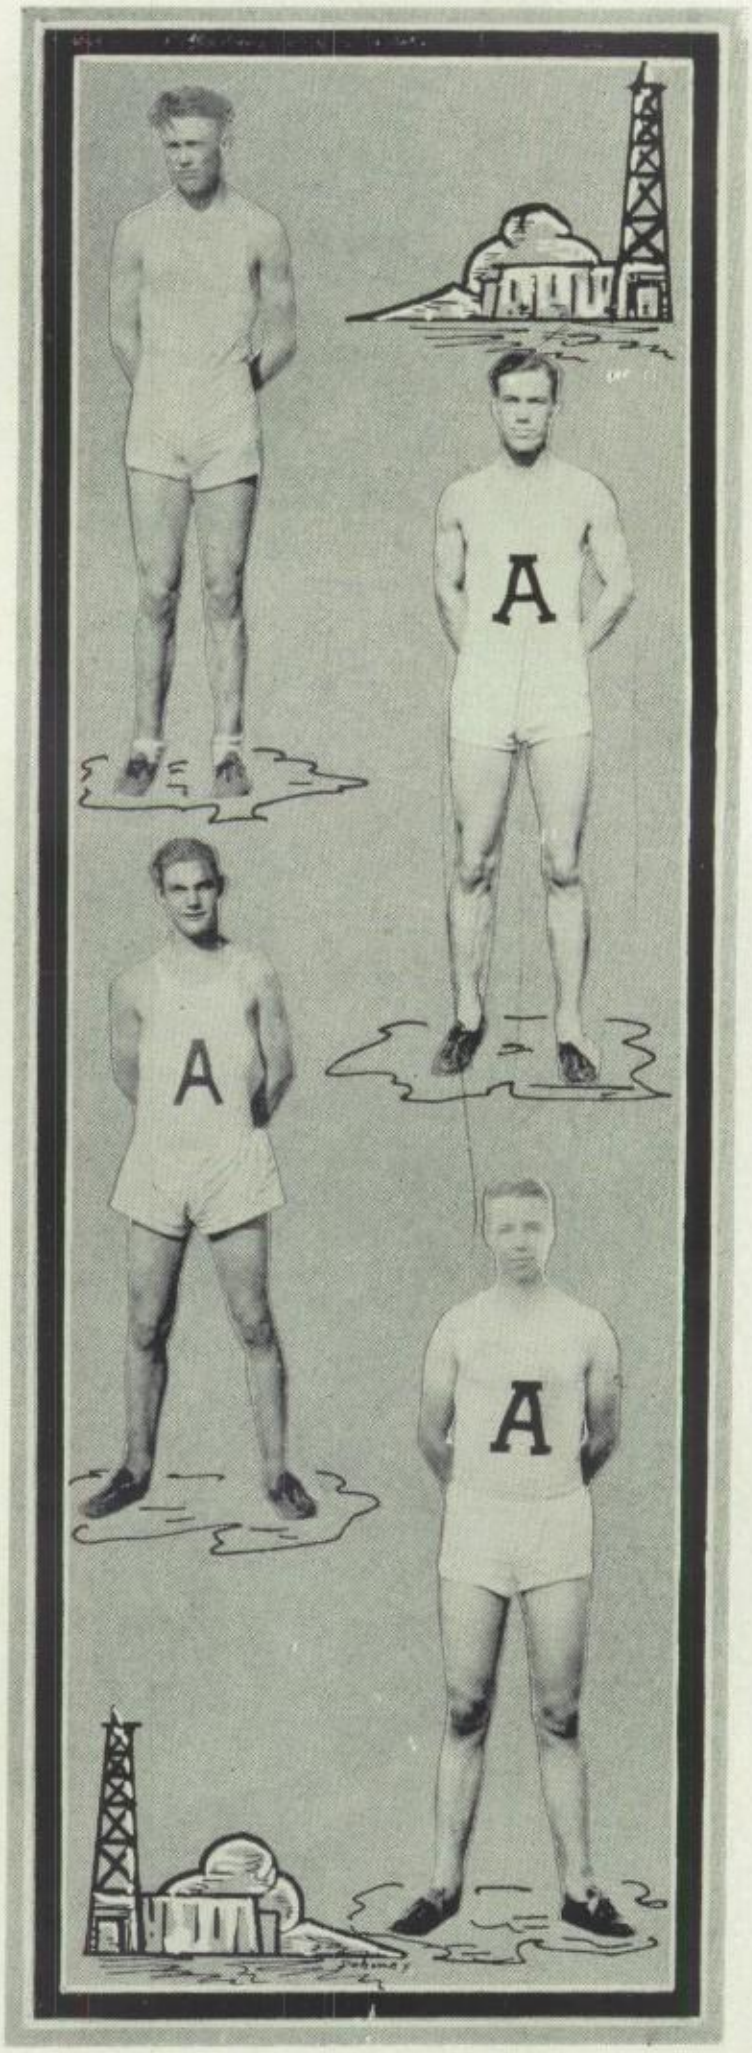
"Vice-president" was the most depended upon man on the squad. He trained hard, worked consistently, and was always a sure scorer. Barton's main event was the hundred yard dash, which he made in 9 4-5 seconds at Clarendon. He also ran the 220 and the low hurdles. Barton will be greatly missed next year.

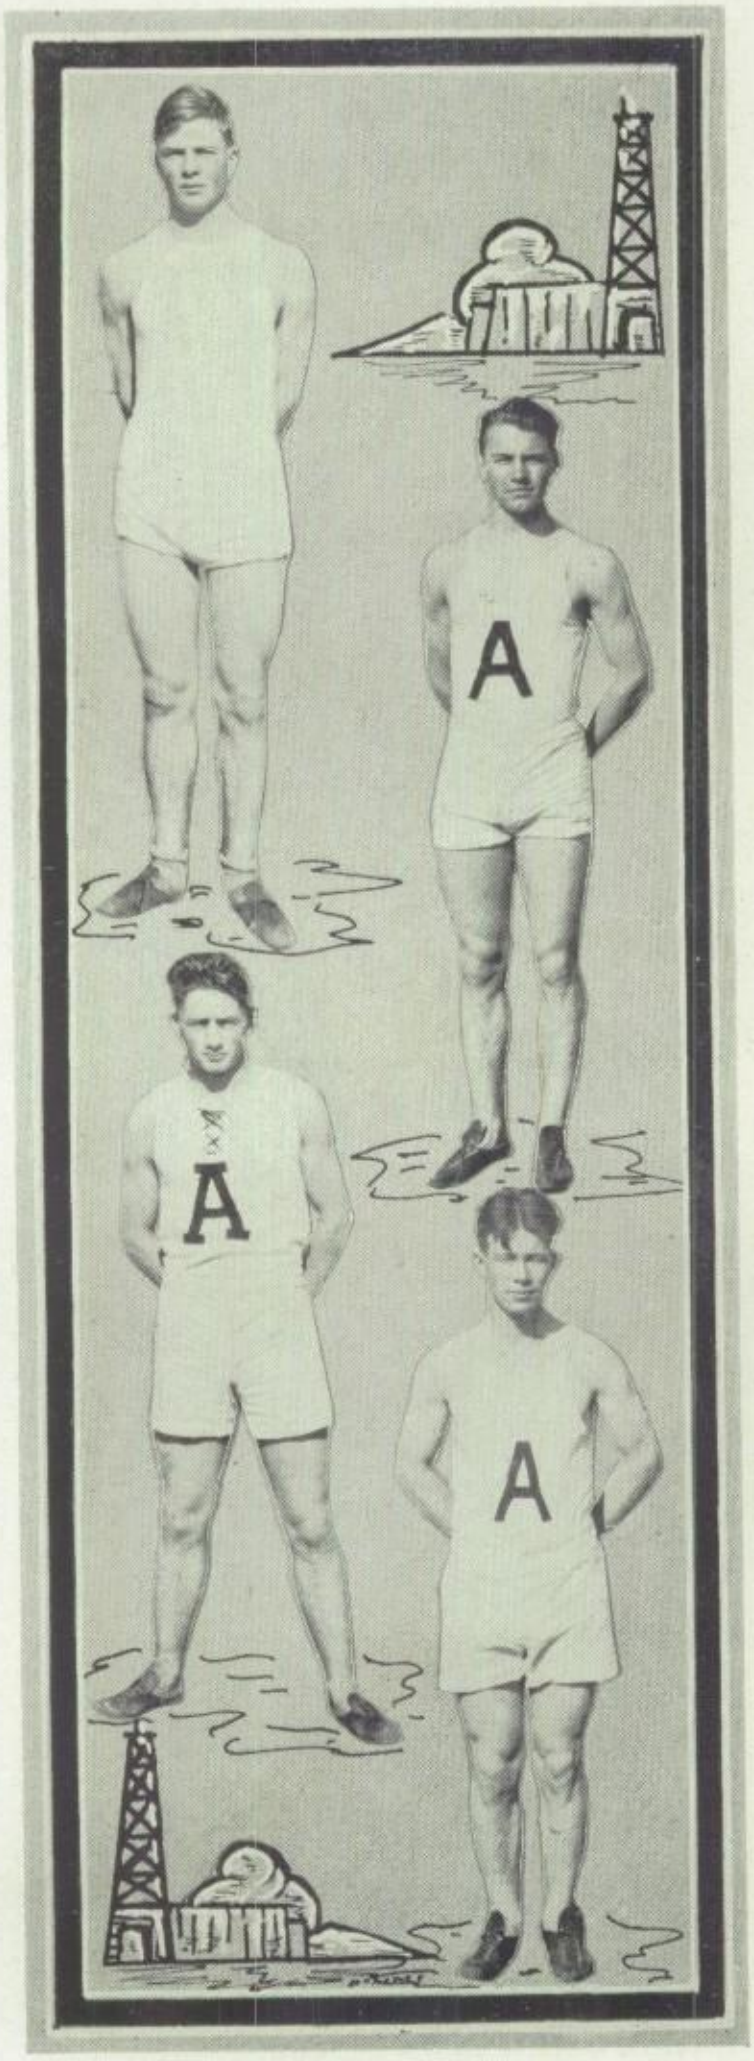
ROCKWELL

This was "Ken's" second year on the track squad and he should show up well at the district. His main event was the 100 yd. dash.

ROSE

This was Roy's first year at track here. He is long and slender and is a good jumper. His events were the high jump and the pole vault.





BOYCE

Due to complications at the first of the season "Tags" was unable to come out until a few weeks before the district. He ran the quarter and should develop into a good man in this event. This is "Tag's" last year.

HAGAN

"Stan" was a regular fire cracker. He was consistent, a hard trainer, and was serious about the work. "Stan" ran the 220 and the 100, and was a sure scorer in each of these events. This is Stan's last year.

HAMILTON

"Ham" needs no introduction to the student body, because he's just the same old hard working boy. However, he has not done so well this year because of a bad case of measles at the first of the season. We're sorry to lose him this year.

EMMETT

"Elix" was one of our best men this year. With 3 years experience and plenty of determination he should do well at the district meet. His main event is the 220. Elix will not be back next year.

NEWBY

Vilas has one more year and before he leaves he should develop into a fast track man. He was third man on the relay and was considered as the mainstay in that event.

CARTER

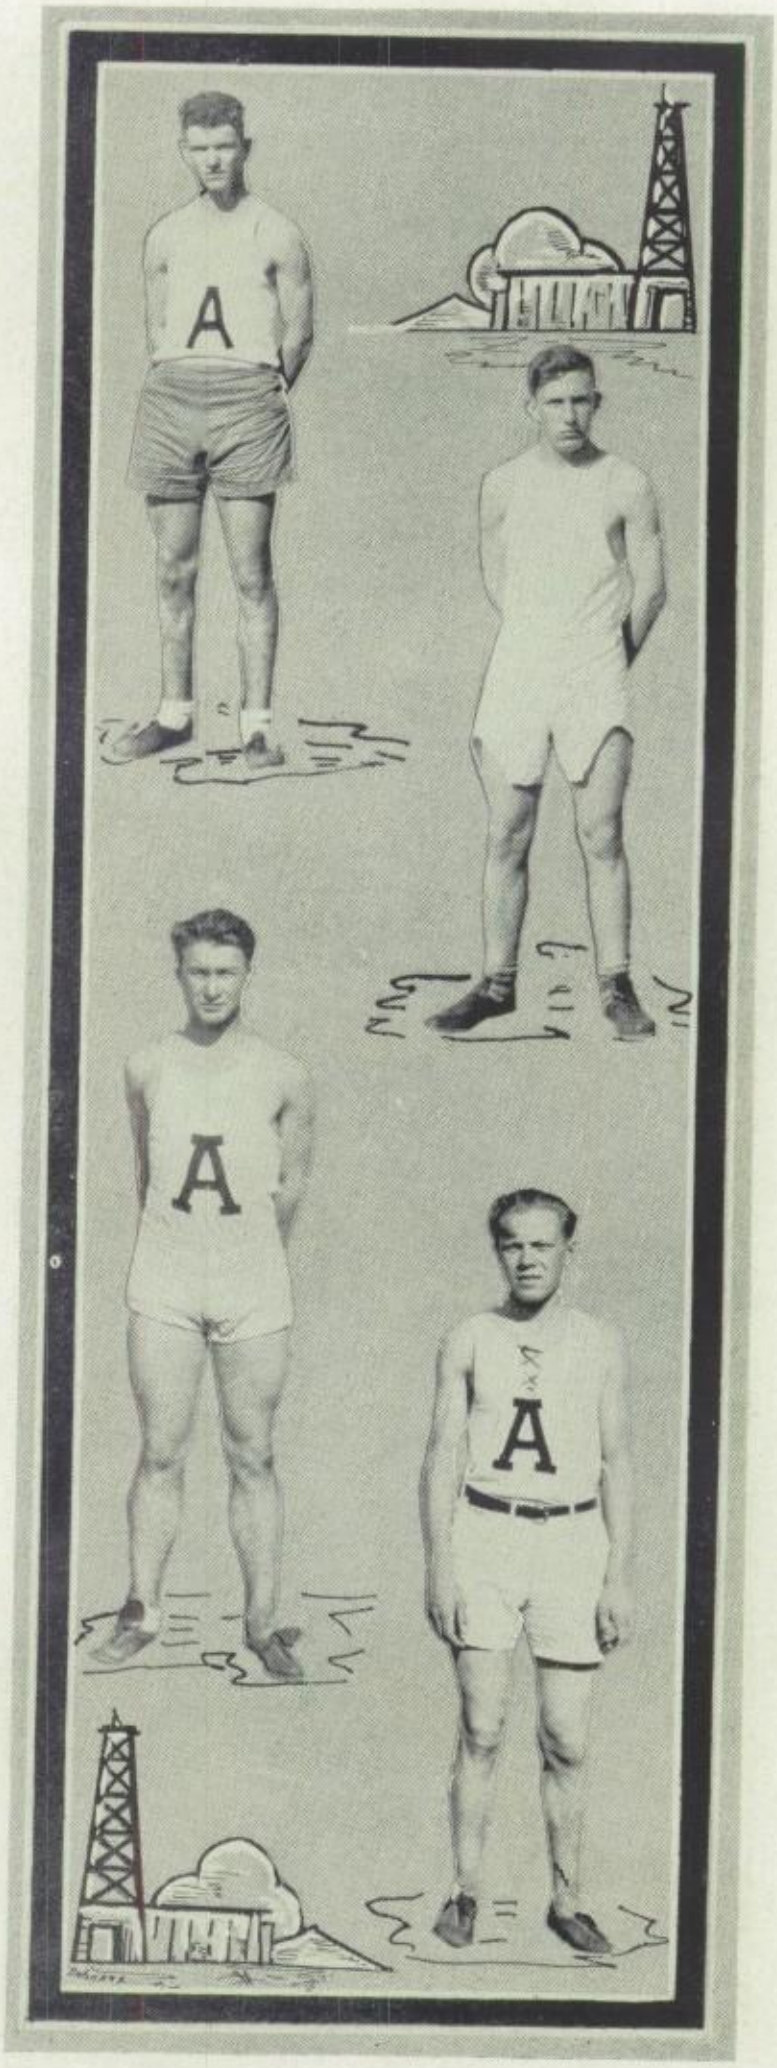
This is "Dizzy's" first and last year of high school track. He was a hard trainer and was well liked by all the boys. "Dizzy" ran the 440.

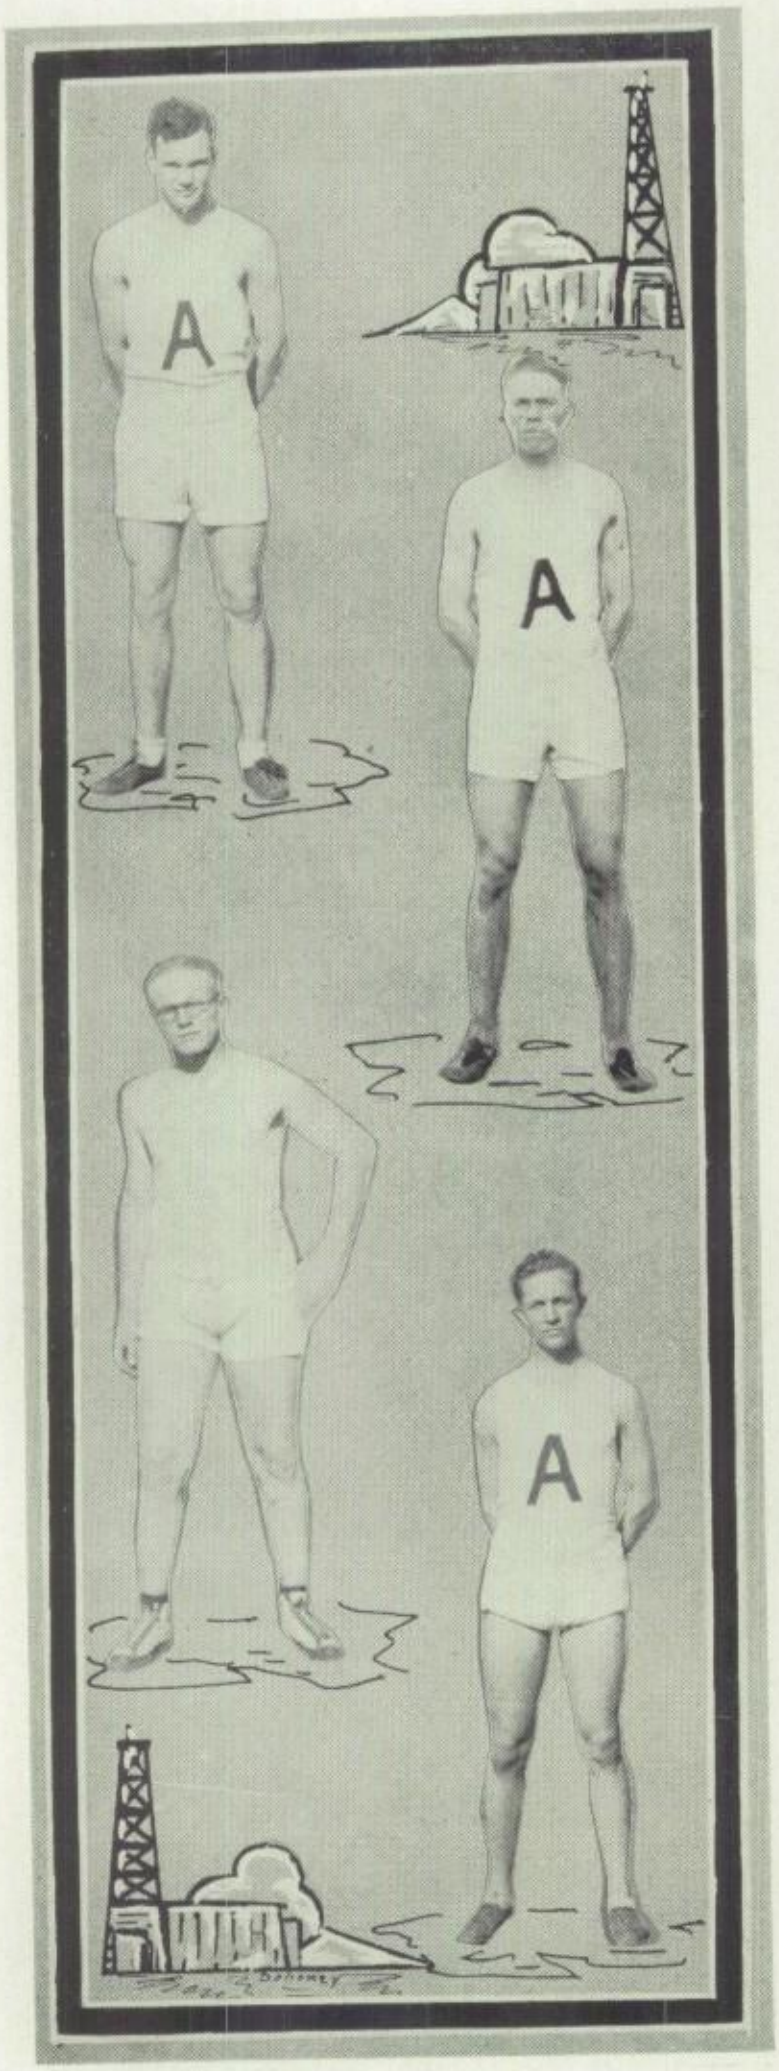
BAKER

"Bake" came here from Tulia and has done unusually well considering the fact that he is just a freshman. His main events were the javelin throw and the low hurdles.

BUSH

Although this was Jack's first year he has developed into one of our best milers. He has 2 more years with us and if he will only stay with it he will be hard to beat.





MELTON

Considering everything Jack was one of the best men on the squad. He was a hard worker and was liked well by all the boys. Jack was first man on the relay.

DOEBLER

This was "Doeb's" first year on the track squad and he has 2 more. His main event was the high hurdle. "Doeb" is plenty fast and should develop into a sure scorer.

ERHARDT

"Marv" was bothered at the first of the season with a bad ankle but throwing the shot soon put this in shape. He is our best man in this event and should even be better next year.

HUDGINS

'Cully" returned to Amarillo to be one of the best athletes in school. He has 2 more years and should develop into a real track man before he leaves. Cully was second man on the relay.

PEARCE

Earl made the squad for the first time this year. He has 2 more years and we expect him to become a star half miler before he leaves.

ADAMS

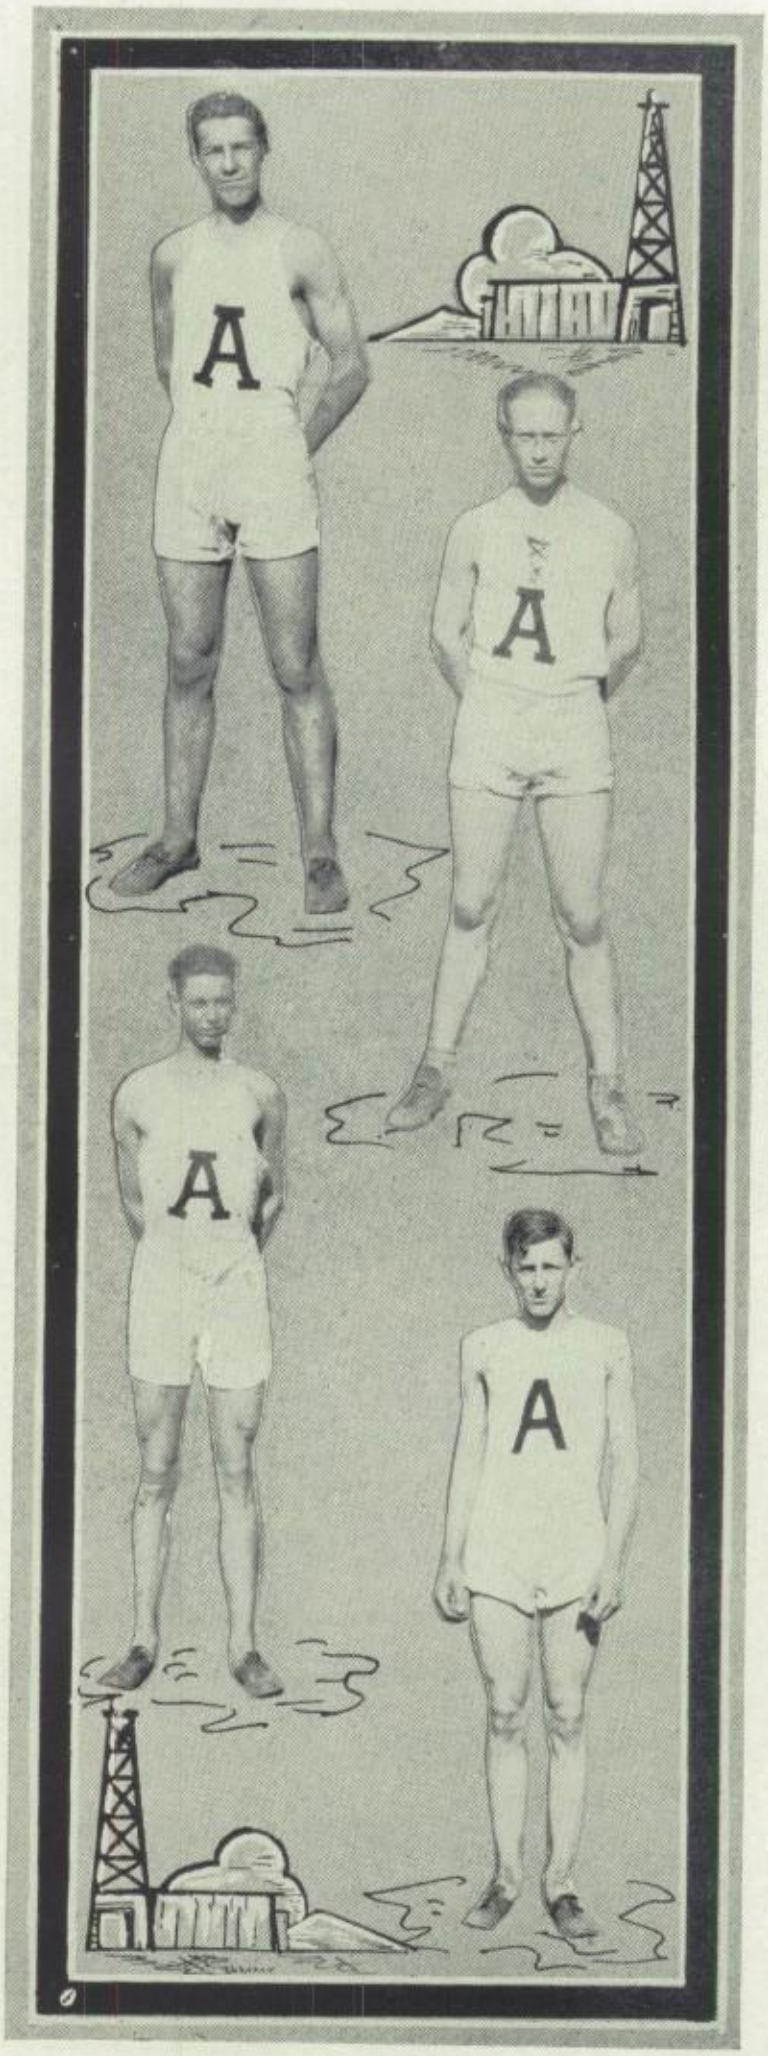
"Hutch" was on the track squad for the first time this year. He is a hard worker and is an excellent prospect for next year.

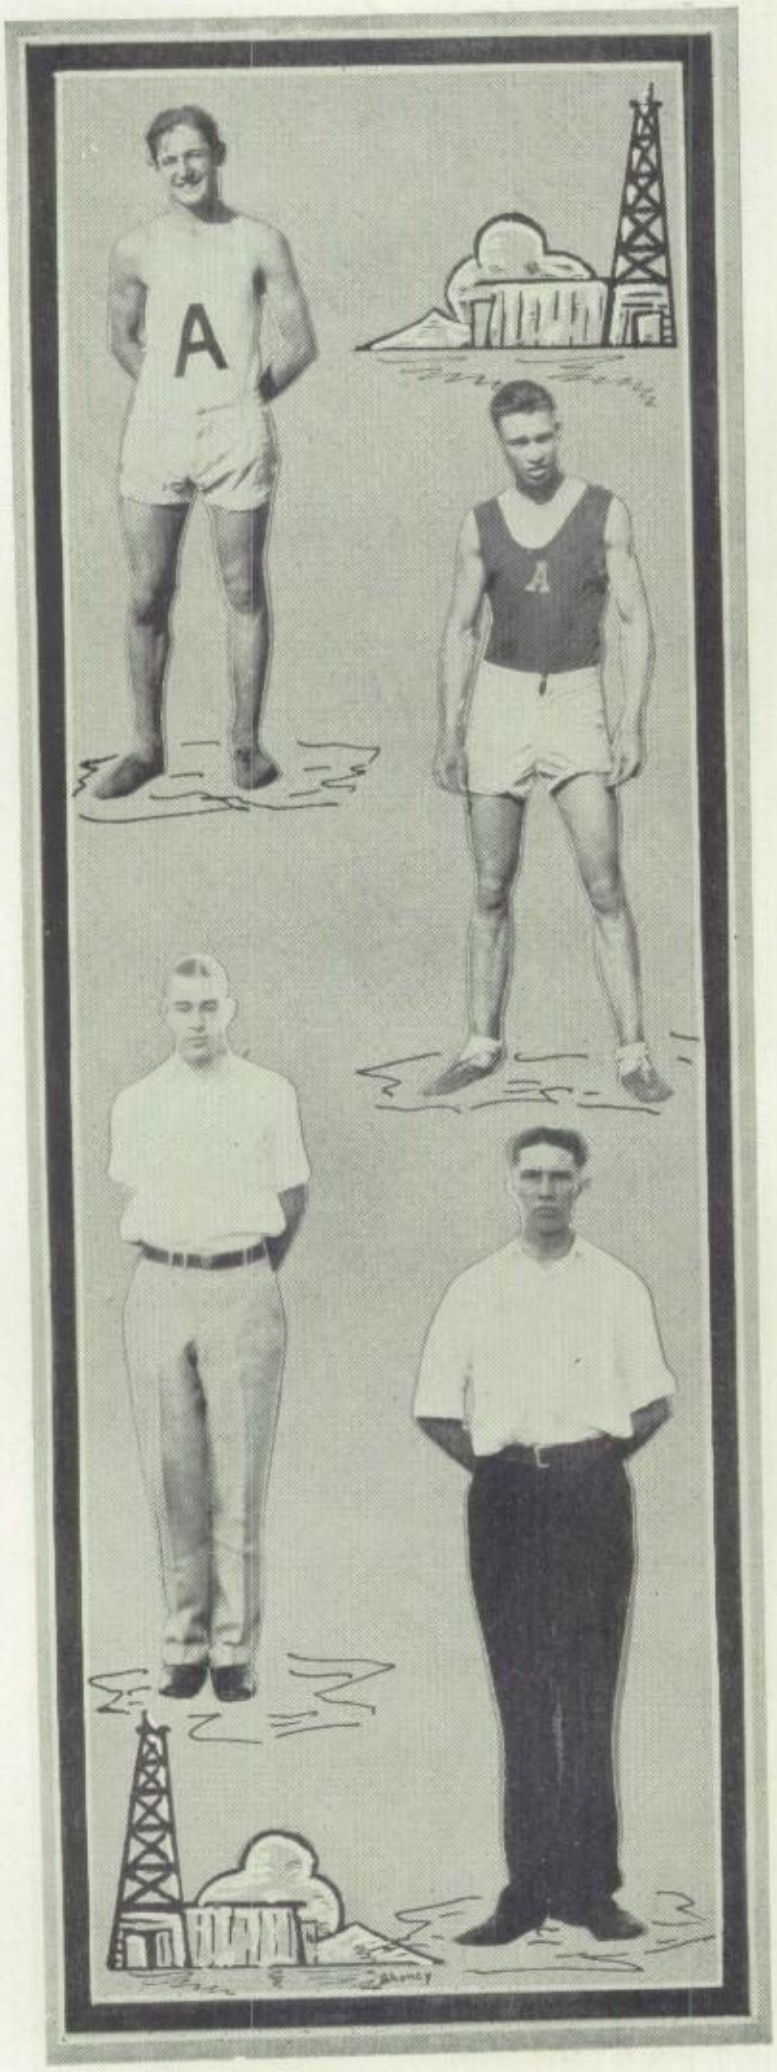
STRICKLAND

"Mexico" came out for the first time this year and developed into one of our best field men. His main events were the shot put, the high hurdles, and the discus throw. He will be back next year.

SCHNEIDER

Schneider was another new man here. He is a little fellcw but a hard trainer and was one of our best men. His main events are the half mile and the high jump.





WILLIAMS

"Pete" showed up as one of our best prospects for next year. He is a hard worker and a good trainer and we expect much of him next year.

MCLECD

Jack formerly ran the mile but he now throws the discus and is considered our best man in that event. Jack will be with us next year.

GILLIAM

"Johnny" surprised everyone this year and turned out to be one of our best men. His main event is the half mile. "Johnny" leaves us this year.

JONES — Manager

"Gaston" was one of the best managers that a school could have. He was always on the job and was well liked by all the boys. Good luck, Gaston!

TENNIS

Tennis Resume

BOYS

Tennis season opened this year with 3 letter men and 7 new men trying for the team. Captain Bill Flenniken got the boys working as soon as the weather would permit and consequently they were in good shape for the Tri-State meet. In the tournament held McAfee won the singles and Barnhill and White won the doubles.

The Tri-State meet was held on April 2. Both Amarillo teams were defeated in the finals, Miami winning the singles and Clarendon winning the doubles.

On April 5, Amarillo played Canyon and won both singles and doubles matches. McAfee played singles and Bishop and Flenniken played doubles

Amarillo played Panhandle at Panhandle on April 11. Flenniken and McAfee won the doubles but McAfee lost the singles to Williams.

On April 14, Panhandle came here and played the Sandies. Barnhill and White won the doubles and McAfee won the singles.

In the District meet McAfee represented in the singles and Bishop and Flenniken represented in the doubles. Amarillo took the singles but in the doubles Bishop and Flenniken lost to Miami in the finals. However, Flenniken will be back next year and we expect much of him.

FLENNIKEN — Captain

"Capt'n Billy" played on the tennis squad for the second time this year. Bill's a wonder at tennis and if he had had more practice he would have been unbeatable. He will be back next year and, what's more, he's going to show the boys a thing or two.

BLAIR

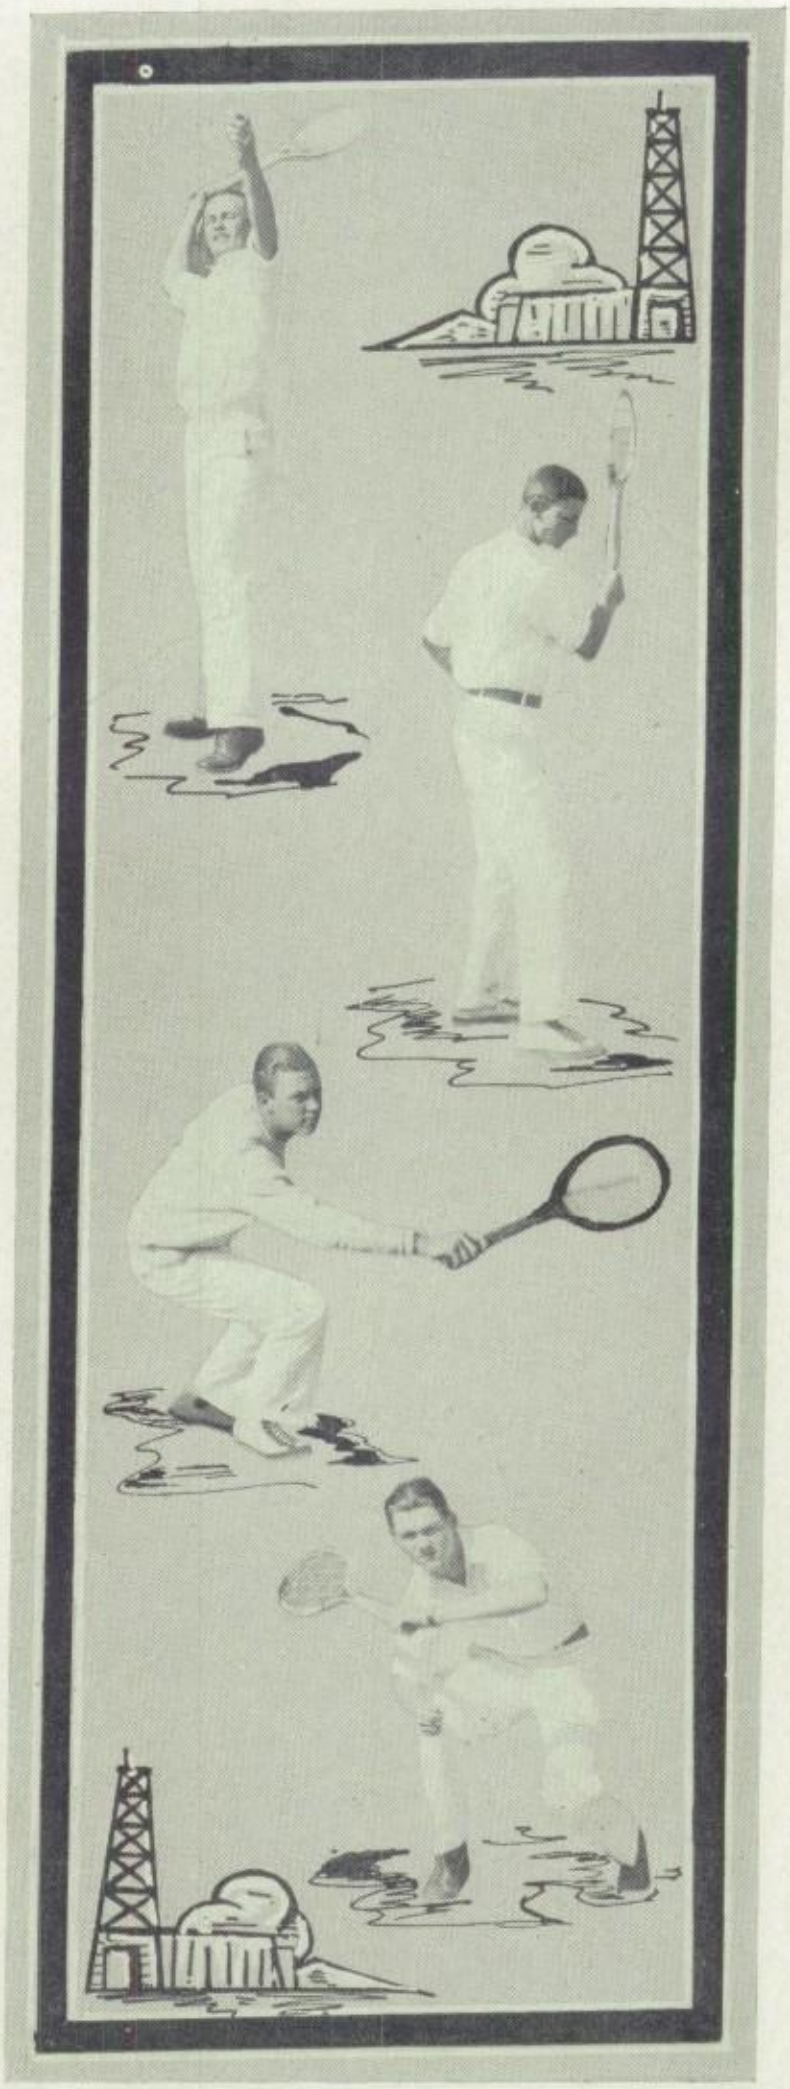
All Blair lacked was practice. He had a mean serve and a good McLaughlan stroke but he could not control them. However Francis has another year with us and he should make good before he leaves.

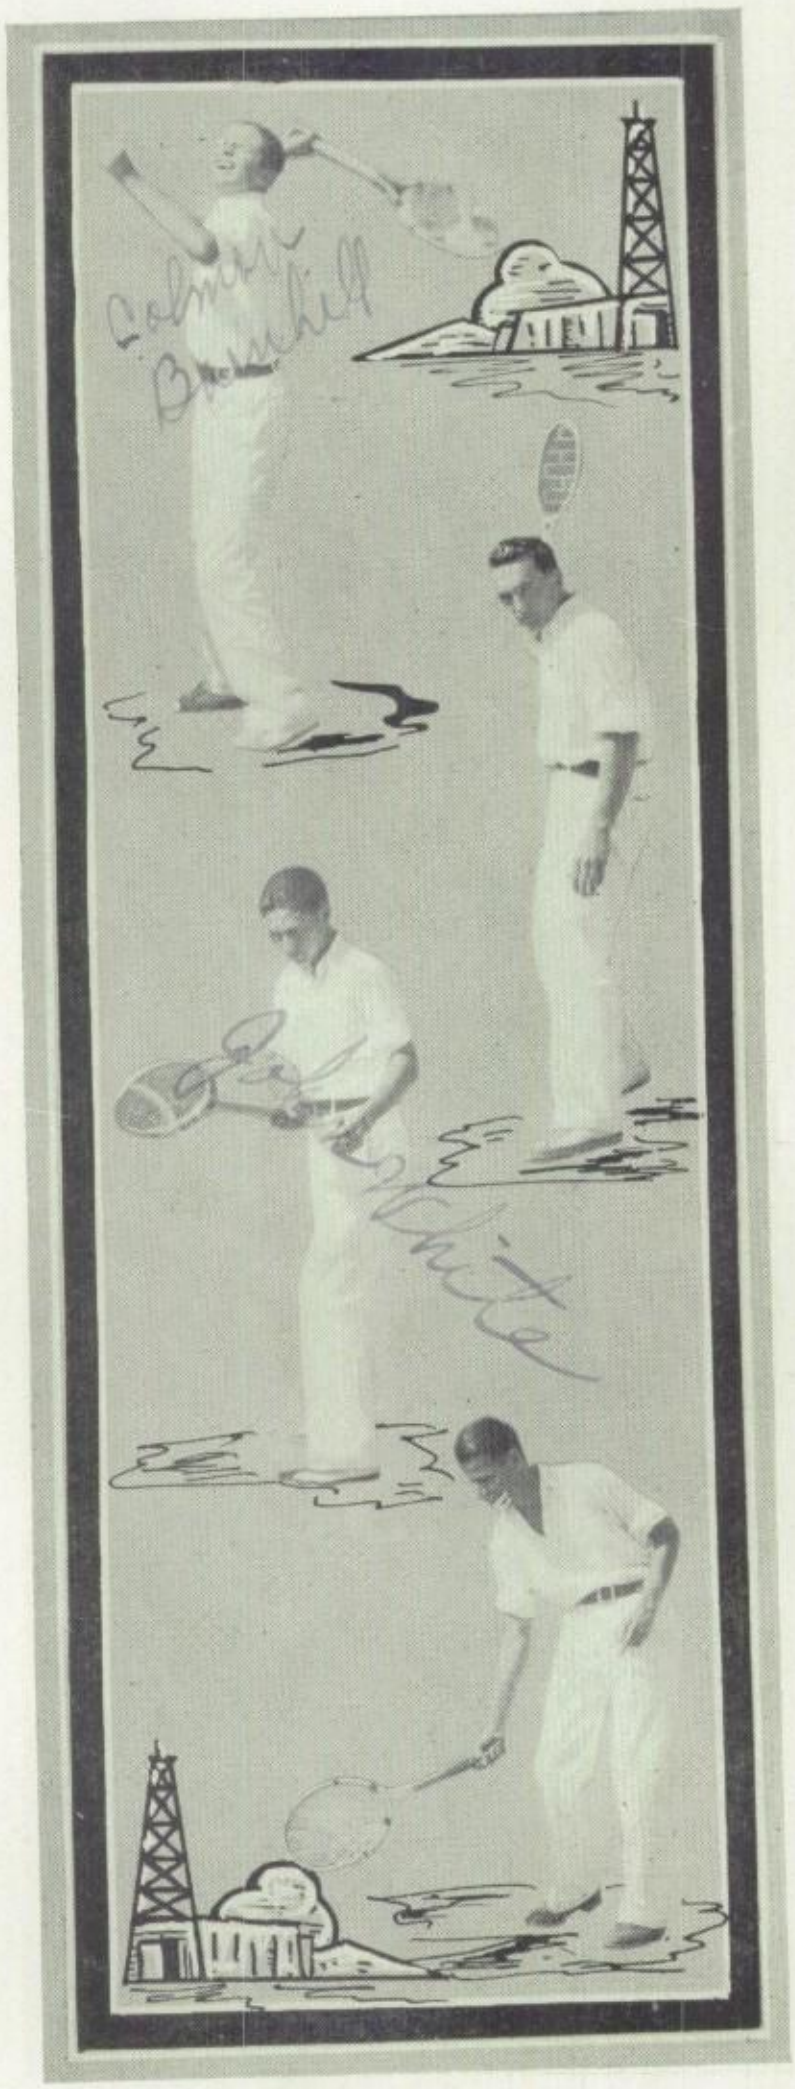
BISHOP

"Bish" was another man that could not give enough time to the game. But nevertheless, he and Bill showed up well at district and won second place medals. This is Bishop's last year and we wish him the best of luck in college.

McAFEE

This was "Cicero's" third year on the tennis squad and he has shown the greatest improvement over preceding years. Lane played singles this season and we're proud to say that he will represent us at State in them. Good Luck "Cicero."





BARNHILL

Coleman was one of the main singles contestants this year. He and White were barely beaten out in the doubles division and then he was barely beaten in the singles. Coleman has perfect form and next year he should take the district and do much at State.

A. WHITE

This was "Awkward's" second year out for tennis. He is a consistent player and with more practice should do well. This is his last year.

J. WHITE

Johnnie was another tennis player that stepped into the limelight for the first time this year. He has good form and should develop into a real player before he leaves. Johnnie has two more years with us.

LEFTWICH

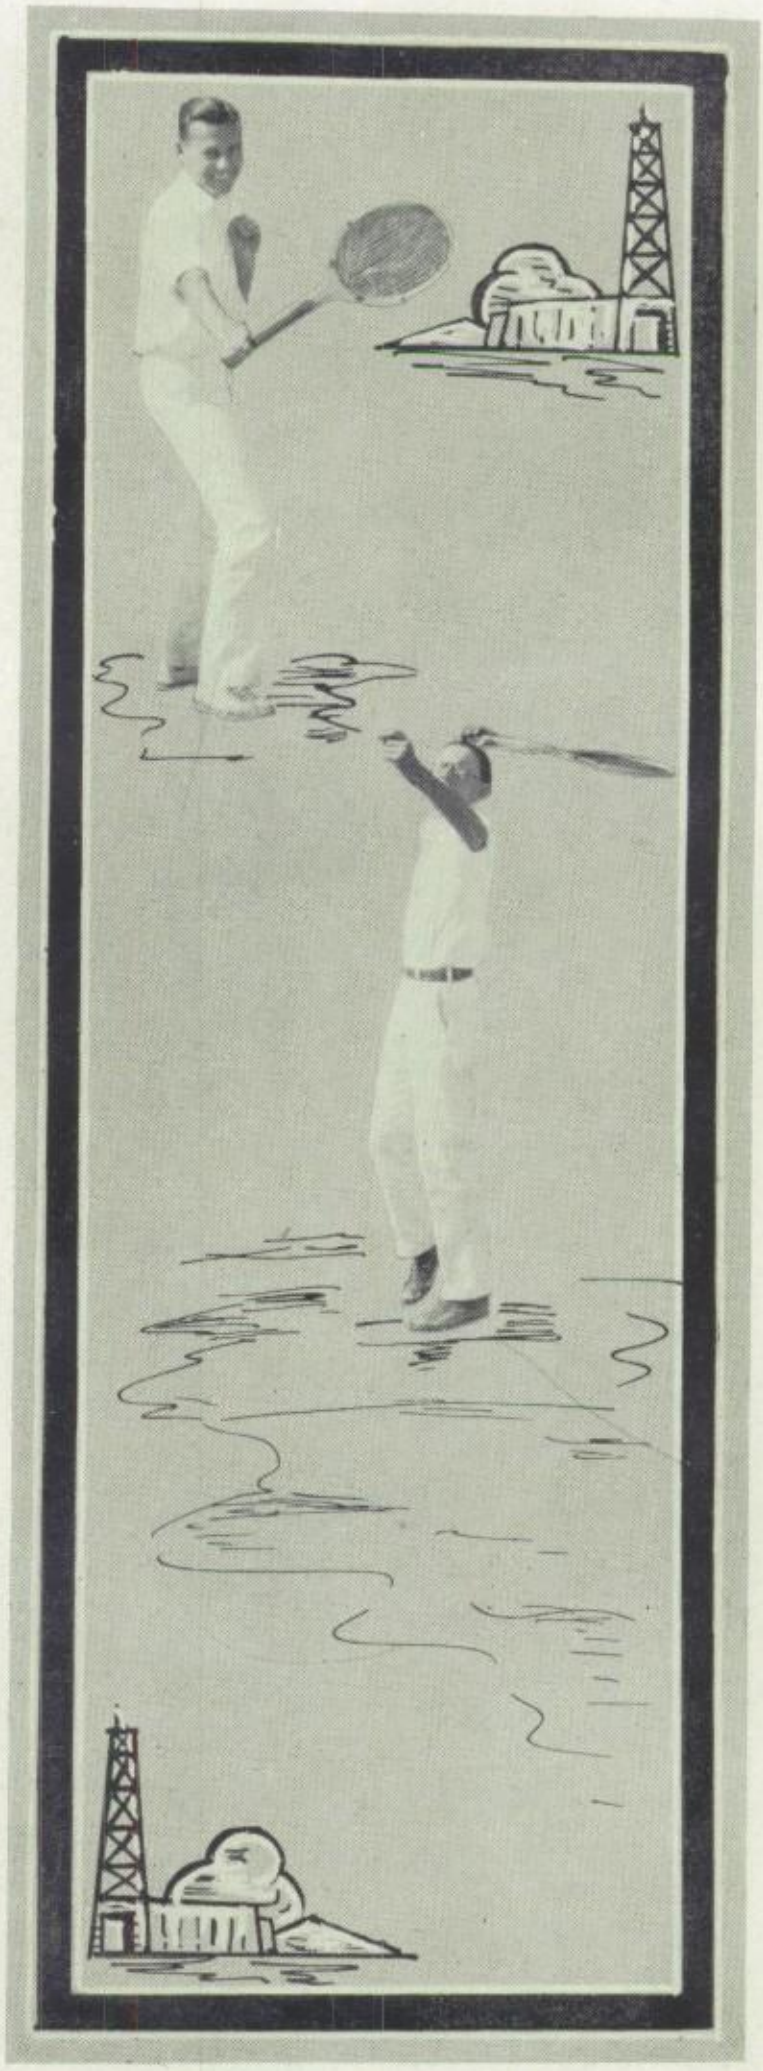
This was Gus' first and last year in high school tennis. He was a very consistent player and was hard to beat.

DOUD

Ed was one of the most faithful members of the squad. He practiced consistently and could always be depended upon. We lose Ed this year.

CALDWELL

Harry played tennis this year for the first time. With more practice he should develop into a good player. He is a senior this year.



Tennis Resume

GIRLS

Mrs. Atwood got her girls started in tennis at an early date this year and had them in fair shape for the Tri-State meet. "Boots" Askew won the singles and the right to represent in this meet and the district meet. Bonita Cazzell and Ruth Hogan won the doubles.

Askew won the singles division in the Tri-State meet but Hogan and Cazzell, not being as experienced as Askew, were unable to win their division. However, they got some excellent experience, which is essential in tennis

On Apr. 5, Amarillo played Canyon. Askew won the singles but Cazzell and Hogan were again defeated.

On Apr. 11 Amarillo played Panhandle and won everything. This was the doubles team's first victory and it instilled some much needed confidence in them.

The next matches were played at Canyon at the district meet. In this meet Askew lost in the final to Fallett, thus winning the second place medal. The doubles team was defeated in the second round. However, these girls did better than the number of wins and losses indicate. Girls tennis is new in this school and consequently the school has not made any provisions for it. Many times the girls had no courts to play on. They got as far as they did just on their nerve and on their feeling of loyalty to their school

CAZZELL

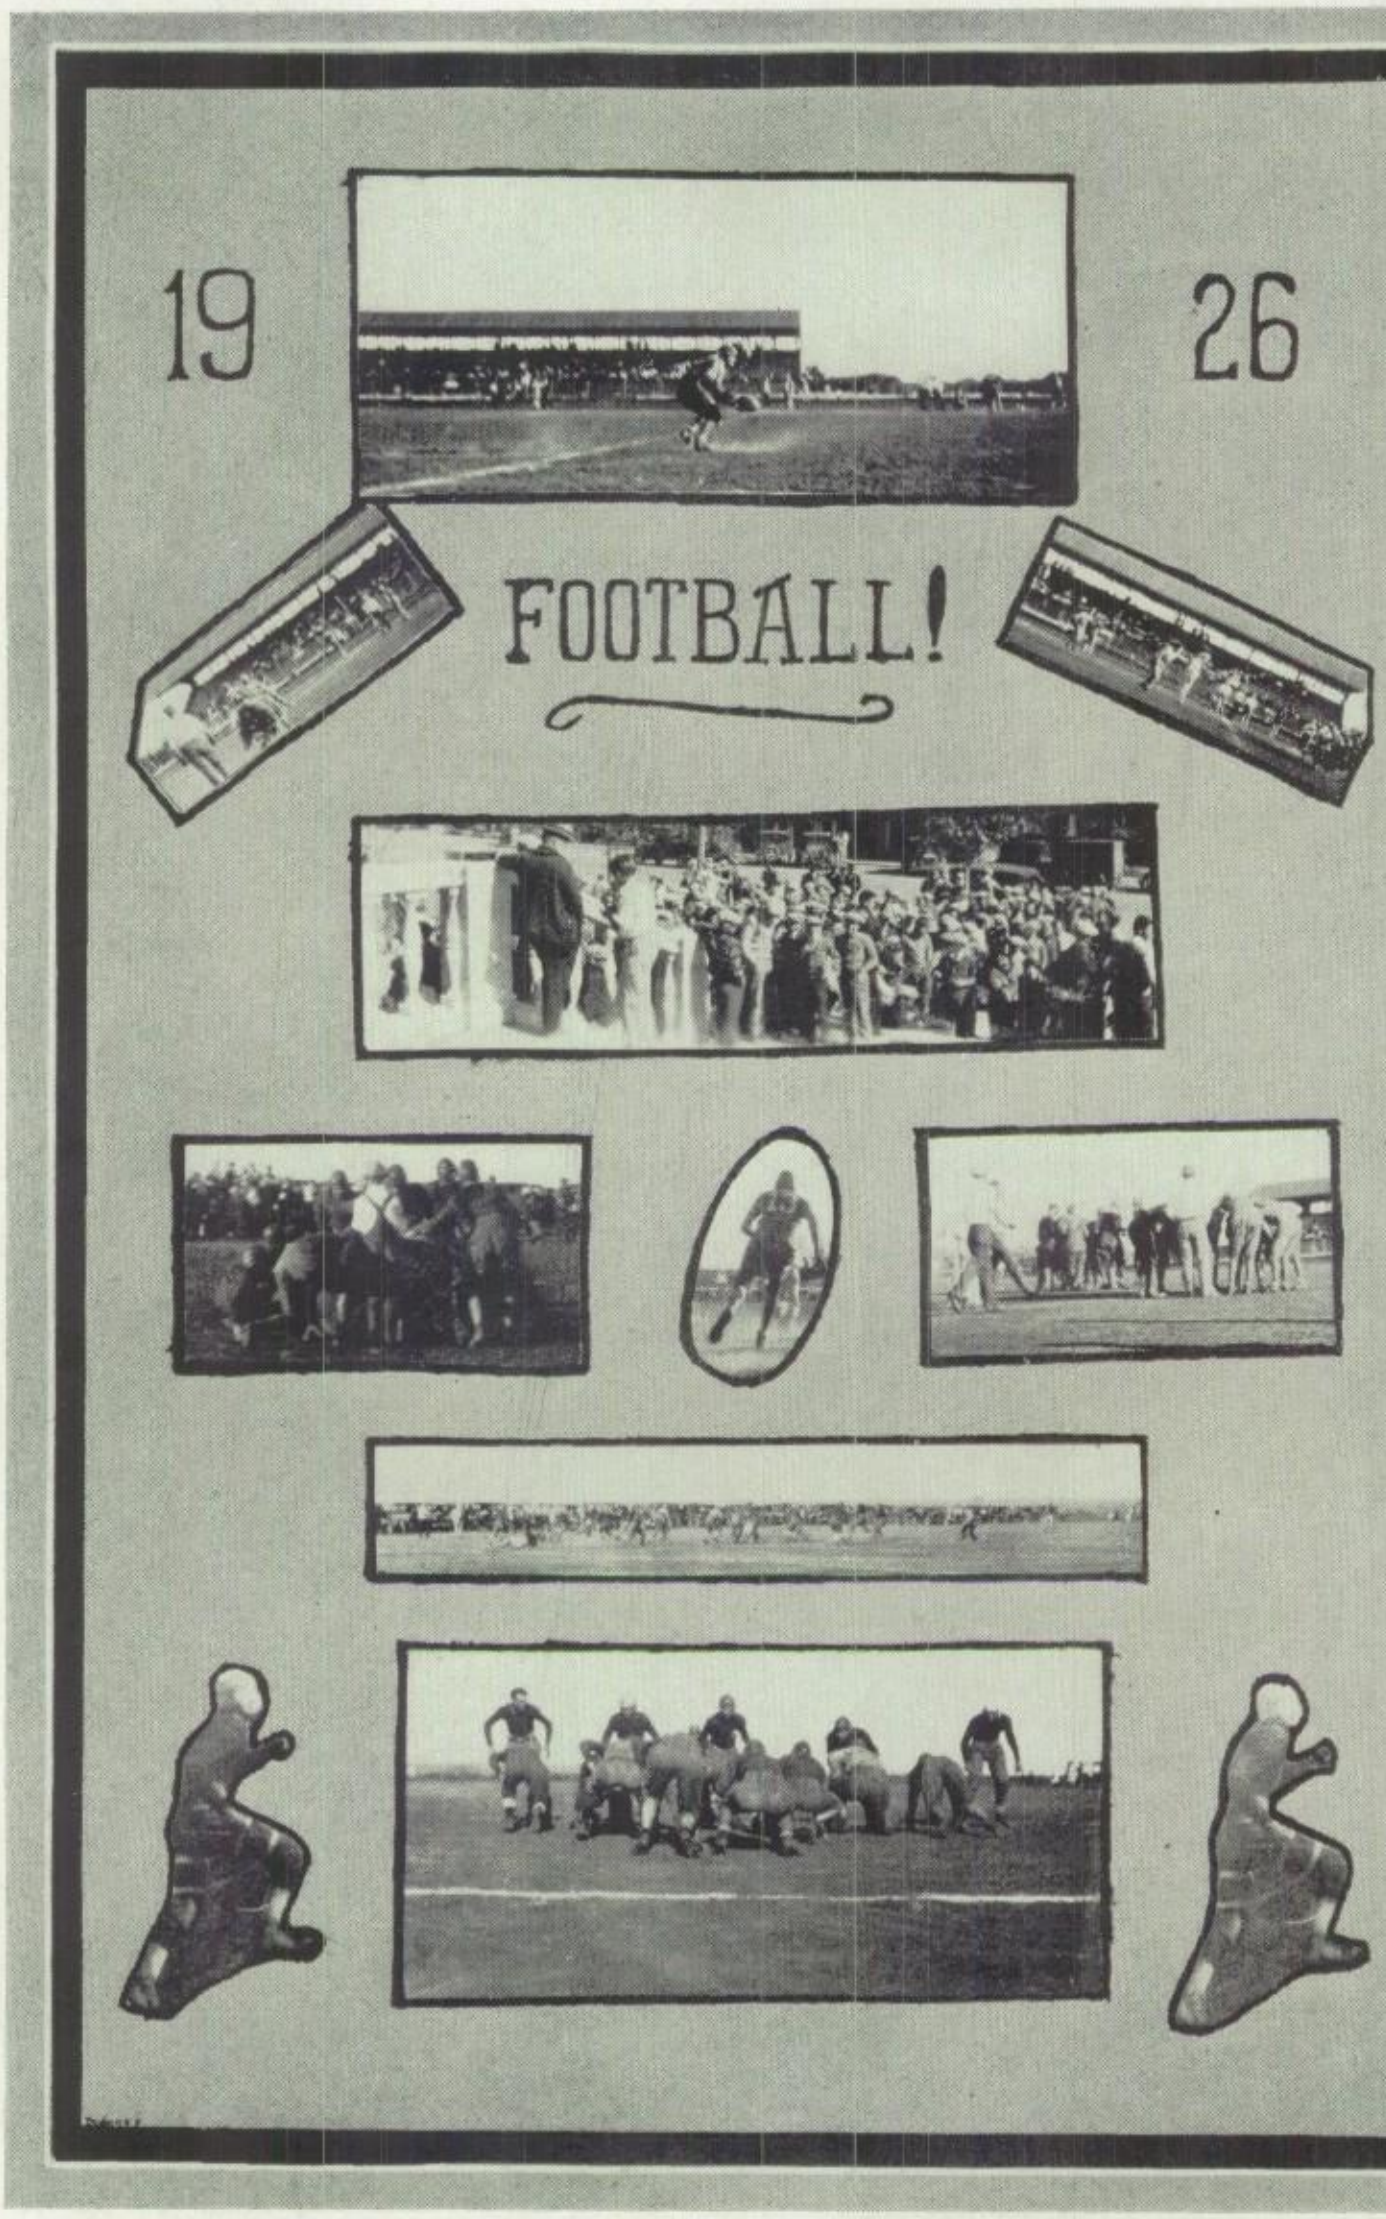
"Bob" was the hardest worker on the squad. She always played as hard as she could and if she lost she went down fighting. She will be back next year and we expect much of her.

HOGAN

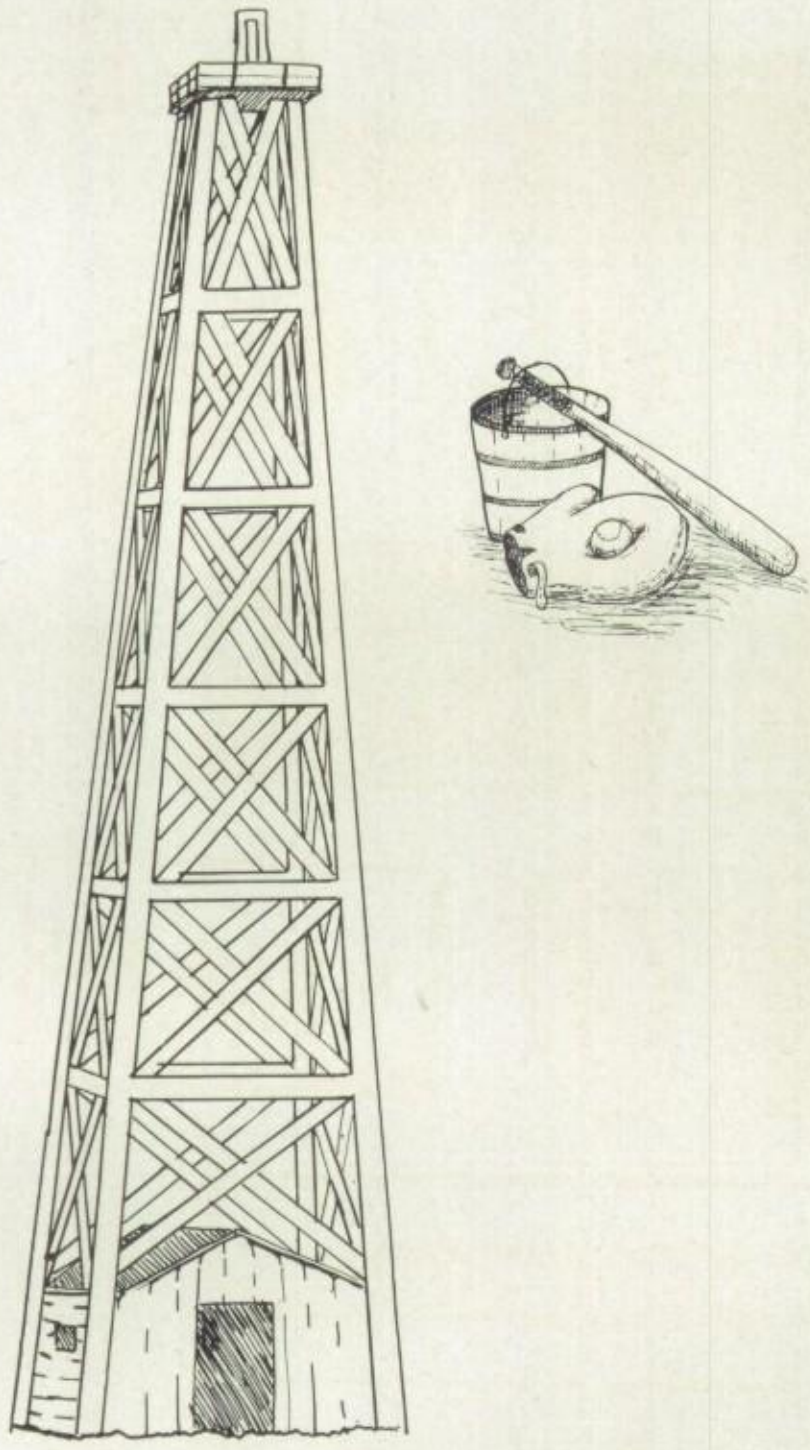
Ruth came here from Montana and although she got a late start she managed to make the squad. With Cazzell she went to district and did well considering everything. She will be back next year.

ASKEW Captain

"Boots" played on the tennis squad for the 2nd. year. She is a consistent player and is not afraid to hit'em hard. "Boots" is a senior this year and we certainly regret losing her.



19
26
FOOTBALL!



BASEBALL

Baseball Resume

Baseball season started this year with four letter men back and about 25 new men trying for the team. The prospects were good and Mr. Hays soon had the team in good shape. However a pitching staff and an outfield had to be developed before the first game could be played. Walker, a new man here, showed up good, and Larsen soon developed into our best pitcher. Aubrey Fairey, who was elected captain, held down the shortstop position and kept the spirits of the club high. The team so far has done splendidly, winning 50% of the games played, and 3 of those games were played with our old rivals, the Buffaloes.

We certainly hope that they can keep up this record and wish them the best of luck.

1.	A. H. S.—4	Buffaloes—2
2.	A. H. S.—9	Buffaloes—11
3.	A. H. S.—2	Buffaloes—10
4.	A. H. S.—1	Childress—15
5.	A. H. S.—19	Clovis—2
6.	A. H. S.—10	Floydada—3
7.	A. H. S.—17	Floydada—3
8.	A. H. S.—8	Hereford—9

AUBREY FAIREY—Captain Shortstop

This was "Kum's" third year on the squad and his second at shortstop position. "Kum" has an excellent fielding record and he still knows how to use the bat. He throws and bats right handed.

ROSS LARSEN Pitcher, First Base

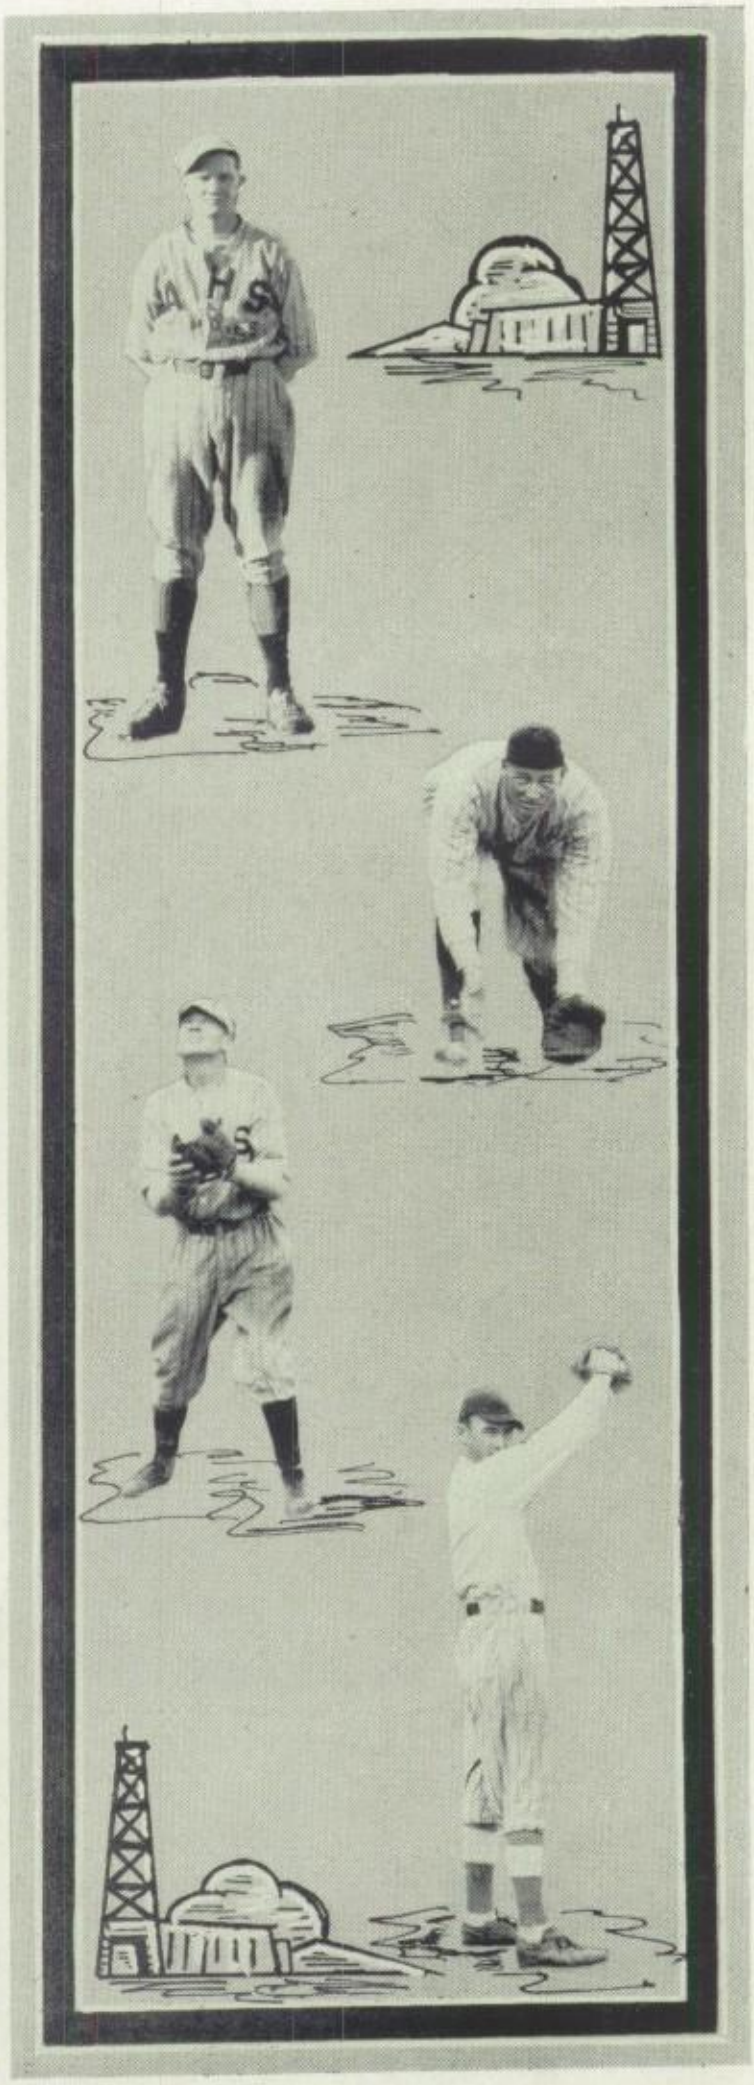
"Rosy" showed up this year as our best pitcher. This is his second year with the squad but his first as a regular pitcher. Rosy played first when he was not pitching and filled this position with equal ability. He will be back next year.

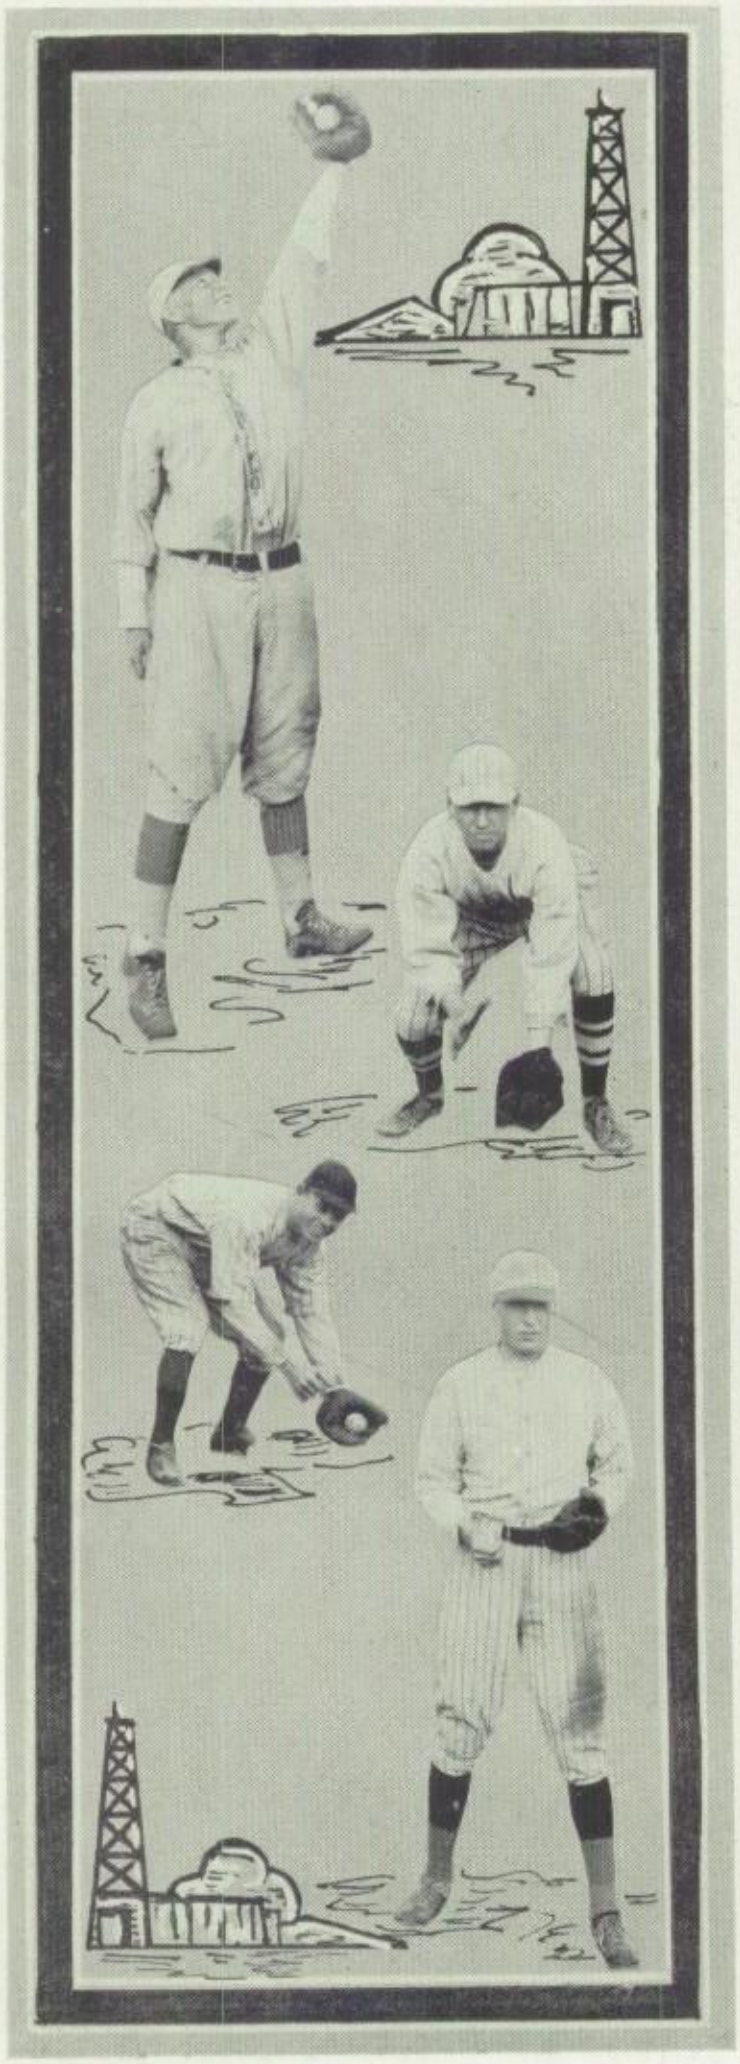
AUDEAN FAIREY—Pitcher, Field, First Base

"Speed" played at several different positions and he did equally well at all of them. His slow side arm ball seemed to baffle the batters and consequently he has many wins accredited to him. Audean is also a good hitter and we are sorry to lose him.

WALKER Pitcher

Bob came here from Sherman, and although he got a late start he has since developed into one of our best pitchers. He throws left handed but bats right. Next year with more experience, Bob should develop into one of the best.





W. LARSEN — Utility

This was "Weeneys" first year out for high school baseball, but he showed up good, both in the box and in the outfield. He has 3 more years with us and should make a real player before he leaves. He throws and bats right handed.

BLAYDES — Second Base

"Humpy" came here from Dallas to become one of our best ball players. He is a good fielder and an unusual batter, although he weighs only 115 pounds. He will be back next year.

BOYLES — Third Base

"Epp" was one of the 4 letter men on this year's team. He showed up at 3rd. and was a good hitter. Epp throws and bats right handed. We lose him this year.

GIBSON — Right Field

"Bill Mac" seems to be following in the footsteps of his brother—and he is certainly keeping up the record of the family name. He has two more years with us and before he leaves he should develop into even a better player than "Skeet." Good luck, Bill.

TRAVIS — Center Field

This was Travis' first year as a regular but he played like a veteran. He is an excellent fielder and should soon develop into a good batter. Next year we expect much of him.

NUNN — Left Field

"Numbskull" played with the Sandies for the first time this year. He is a hard worker and loves baseball. He bats and throws right handed. Nunn will be back next year.

HAYDEN — Catcher

This was Freddie's first year with the Sandies but he played like an old man at the game. He bats and throws right handed. Hayden will not be back next year.

SMITH — Catcher

"Fat" Smith was a good catcher and a fast man. He was always on the job and could be depended upon anytime. This is Smith's last year.

THE PALISADES

The Playground of the Plains

The spirit of Amarillo High Students has been a tonic to our city throughout the year. We have watched and cheered you in your football games. We have noted your scholastic achievement and the exhibit of your work accomplished. To those who graduate this year we wish you health, happiness and Amarillo spirit always. To those who carry on, we are with you in every enterprise and goal. As a last word we wish you to join us in making The Palisades everything we hope and plan for it.

PARENTS -- STUDENTS

What is an education worth in dollars and cents? The College of Business Administration in Boston University found that a high school graduate earns between age eighteen to age sixty about $78,000.

A College or Technical School graduate earns during the same period about $150,000.

Yale University finds that it costs on the average $6,790. to keep a student in that College four years.

Parents, ask us for booklet, "Insuring the College Education of the Child," issued by the National Association of Women's Clubs.

Students, prepare to assume leadership in the business and professional world. Insure your life adequately—as a means of thrift and savings and protection, it has no equal.

ZEESE-CRAFT

Craftsmanship

~the embodiment of skill and handiwork, demands a care, a faith and a hope that can only be acquired through inherent ability, a desire-to-do and a time-proven experience. All of these requirements of craftsmanship give vivid proof of their existence in the craftsmen of the *House of Zeese* by the superiority and individuality of the finished product. ~ ~ ~ ~

A DE LUXE STENOGRAPHER

"The stenographer we require," ran the ad, "must be fast, absolutely accurate, and must have human intelligence If you are not a crackajack, don't bother us!"

One of the applicants wrote that she noted their requirements and went on: "Your advertisement appeals to me strongly—stronger than prepared mustard—as I have searched Europe, Airope and Hoboken in quest of some one who could use my talent to advantage. When it comes to this chinmusic proposition, I have never found man, woman or dictaphone who could get to first base on me, either fancy or catch-as-catch-can. I write shorthand so fast that I have to use an especially prepared pencil with a platinum point and a watercooling attachment, a note pad made of asbestos, ruled with sulphuric acid, and stitched with catgut. I run with my cutout open at all speeds, and am, in fact, a guaranteed double hydraulic, welded, drop-forged and oil-tempered specimen of human lightning on a perfect thirty-six frame ground to one-thousandth of an inch. If you would avail yourself of the opportunity of a lifetime, wire me, but unless you are fully prepared to pay the tariff for such service don't bother me, as I am so nervous I can't stand still long enough to have my dresses fitted."

She got the job.

This Bank

cannot praise too highly the Amarillo Public Schools

There is nothing reasonable it will not do for the children.

Completion of Public school work is the most important accomplishment in the lives of most people, because it teaches confidence in themselves, in recording success instead of failure is the first important undertaking.

Start a bank account here is the next important step.

DOWN WHERE THE VEST BEGINS

The Tie That Blinds

O, some may long for the soothing touch
Of lavender, cream or mauve,
But the ties that I wear must possess the glare
Of a red-hot kitchen stove.
The books I read and the life I lead
Are sensible, sane and mild,
I like calm hats and I don't wear spats,
But I want my neckties wild!
Give me a wild tie, brother,
One with a cosmic urge!
A tie that will swear
And rip and tear
When it sees my old blue serge.
O, some will say that a gent's cravat
Should only be seen, not heard,
But I want a tie that will make men cry
And render their vision blurred.
I yearn, I long, for a tie so strong
It will take two men to tie it.
If such there be, just show it to me—
Whatever the price, I'll buy it!
Give me a wild tie, brother,
One with a lot of sins!
A tie that will blaze
In a hectic haze
Down where the vest begins.

The Man's Shop
